

Highway Safety Report Submitted to Council

A highway safety report submitted to council Monday night suggests that a raised-curb median with guard rails should be constructed from the weigh scales north of St. Albert to 137 Avenue at the city limits. It recommends that at any crossing points, separate left turning bays should be con-

structed. If widening is carried out on the trail to make six lanes, the committee feels that the curb lane should be reserved for buses and right turners only, between Hebert Road and 137 Avenue. It further recommends that the illumination be completed between the weigh scale and

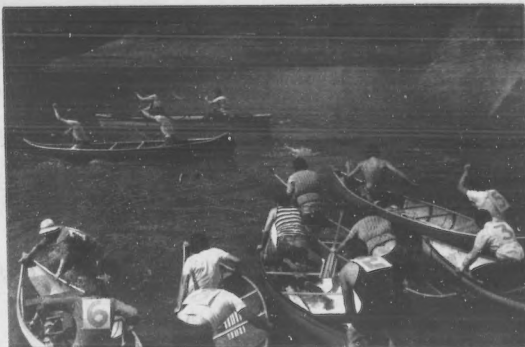

McKenney Avenue.

The ad-hoc committee formed to look into the safety of Highway #2 considers that its recommendations should be submitted to the province at once and hopes that they will be implemented as soon as possible. Members are Coun. R. L. Thronson (chairman), Mr. Stan Mill (St. Albert Safety Council), Mr. J. J. Bakker (resident of St. Albert), and St. Sgt. A. P. Dirk (RCMP).

The report stresses that the recommendations are in no way dependent on, and should not await, the outcome of any transportation study.

Traffic volume south of St. Albert is presently about 28,000 vehicles per day. North of St. Albert the volume is about 6,000 vehicles per day. The committee states that they feel that long term proposals (such as a by-pass) should not delay the necessary work that should be undertaken now to make the St. Albert Trail more safe.

The report points out that

Not really white water canoe racing but still good fun was the St. Albert Kinsmen's canoe race held in conjunction with the Rodeo Week opening ceremonies. Winner of the \$75 first prize was Earl Berg and Howard Wilhelm while the second place winners, who took home \$25 were Darryl Martindale and David Raboud.

Council presents transportation views to M.L.A.

MLA Ernie Jamison was told by the committee of the whole on Monday night that the Ring Road proposal, a by-pass route around the town of St. Albert, and improvements to existing alternate routes (170 Ave., 170 St., and 156 St.) are considered important to the transportation needs of the Town of St. Albert.

Coun. Smith noted that the points mentioned above were crucial to the transportation needs of the town. Coun.

Rod Thronson pointed out that while these points could be considered in the near future, immediate improvement to the existing routes would serve in the interim interests of the town. Coun. Breadner felt that there were confusing aspects surrounding the restricted development area and stressed that he felt that the ring road alignment should not infringe on the "green belt aspects" of the corridor.

Please turn to page 2.

Recreation Board favours Junior A franchise

Mr. Ken Foster, representative of the parks and recreation board, reported to the committee of the whole Monday night that the board recommended accepting the proposal for a Junior A tier 2 hockey franchise.

Mr. Foster noted that considerable discussion had been carried out between the various other arena user groups to verify their points of view, and the board felt that the Junior A team would be "of benefit to the town and give more incentive to local hockey players."

According to the minutes of the parks and recreation board meeting (held June 4) Mr. Yanosik, coach of the St. Albert Bruins welcomed the proposal of a Junior A hockey team but did not agree to this particular time due to lack of

facilities. He wondered, too, if the town wished to have a recreational team or one which was development oriented. He repeated his position to the committee of the whole also noting the critical situation with ice time in the existing facility.

The minutes of the recreation board meeting noted that Mr. John Ewen, repre-

senting the St. Albert Juvenile BB team, did not feel that it was possible to accept the Junior A proposal at this time. Mrs. M. Joyal, representing the St. Albert Figure Skating Club, favours the proposal, feeling that the team would provide incentive and a goal for young hockey players in the town. Mr. Dave Stewart, representing

Committee hears players/coaches views on junior franchise

Coun. Gary Wetsch, chairman of the committee of the whole, gave persons in the audience an opportunity to speak to the proposal of a Junior A tier 2 hockey franchise for the Town of St. Albert at the meeting Monday night.

Mr. Yanosik, representing the Bruins team, addressed

the committee stating that the team started four years ago at which time council's main concern was providing hockey time for local players. The following year the team was in operation and council was again approached for ice time. Mr. Yanosik stated that he was informed that he did not have to approach council

the Kinsmen Minor Hockey Committee, felt that in light of the information at hand it was not possible for him to make further comment at present. Mr. C. Contant, representing the Comets, was not prepared to accept the proposal if it would cost the Comets ice time.

Mr. Foster explained to council that there had been

each year to request ice time. He emphasized that his team consisted of two-to-one local talent and there were teams in the district which would draft the players of exceptional talent into Junior A ranks. He explained that the Bruins operated with 15 home games and 1 1/2 hours per week of practice time.

concern in the recreation board regarding the effect on the other 'arena users' if the Junior A team proposal was accepted. He felt use of the Sturgeon Arena could ease the situation. The board felt the Junior A team would not have many local hockey players participating at first. Before the proposal was accepted they wanted the

Mr. Yanosik stated that he felt that it was up to council to decide whether or not the local boys would have the opportunity to play hockey or whether this would be opted to allow for a Junior A team to have time having few local players on the roster.

Mr. Messier, representing the Junior A proposal, told

financial and ownership aspects should be cleared up, and time conflicts resolved. Kinsmen involvement in the Junior A team would be of benefit to coaching improvements in the minor hockey program, in the rec. board's opinion.

Coun. Thronson wished to have assurance that if the

It's Rodeo Week in St. Albert

from the Mayor's Office

PLANNING STUDY COMMISSIONED ON INDUSTRY

St. Albert has come of the highest standards of residential accommodation in the Edmonton Metropolitan area. This state of affairs has not occurred by accident. It has been accomplished through the efforts of various councils, builders and citizens who have been dedicated to the objective of building a high quality residential community.

In the past few years a considerable amount of discussion has been engendered concerning the effect that a higher ratio of light industrial to residential assessment would have on the quality of life in St. Albert. The pro-industry faction has argued that a more traditional mix of industry and residential facilities would provide a better economic base in the community (i.e. relatively lower taxes and greater employment opportunities). The anti-industry faction has argued that greater industrialization would pollute the environment, add negligible tax relief to individual property owners and destroy the quiet residential character of the community.

In my opinion each side has valid points to make. The question which must be answered is whether or not it is possible to locate a greater amount of light industry in St. Albert without affecting our present residential life styles. In effect, can St. Albert enjoy the benefits derived from having a greater industrial base without incurring the costs.

The key to resolving this question lies in the careful planning of industrial parks and the presentation of the results of any proposed developments to the public in order to ensure that neither the Council nor the planners have overlooked any points which would negatively affect the community. The Town has incorporated this philosophy in examining the possibilities for the development of a light industrial park on the quarter section of

land located in the east half of 2-54-25-W4 bordering the N.A.R. tracks. As a first step an independent planning study has been commissioned which will examine:

- (1) the impact of industry on neighbouring residential neighbourhoods;
- (2) land-use compatibility;
- (3) transportation issues;
- (4) servicing considerations;
- (5) employment factors; and
- (6) the fiscal impact on the community.

In the second step this study will be presented to the council and to interested residents in the community. Copies of the report will be placed in the Library and comments will be invited and welcomed from members of the public.

It is felt that by following this type of procedure that the council will be able to ensure that any proposed industrial development will be in the best interests of all residents of St. Albert. I personally feel that if careful planning is carried out that we can obtain the benefits from a greater mix of carefully selected light industry while preserving our high quality of residential living.

It is hoped that all interested residents will avail themselves of the opportunity of commenting on our efforts in this area.

Mayor R. H. M. Plain.

plan study

Continued from page 1.

Mr. Conley notes that anything submitted by the groups, and those conclusions reached by planning staff, will eventually be submitted to the town council who will consider them and ultimately arrive at the decisions.

"We also hope to appoint leaders for each group on Wednesday," Mr. Conley says, "and those persons will administer the group and liaise with the planning department. What we want is to see these groups get into the issues of local importance as opposed to regional growth implications."

"We are hoping for four or five groups to be formed with each group examining a different issue," Mr. Conley said.

ENGAGEMENT NOTICE

BRYANT - TOMPKINS

Mr. and Mrs. Lloyd Bryant are pleased to announce the engagement of their only daughter, Vickie Mary to Brian Raymond, only son of Mr. and Mrs. Vern Tompkins, all of St. Albert. Wedding date to be announced.

The Gateway Association for the Mentally Handicapped have been holding a very successful recreation program at the Grandin Clubhouse every Saturday. A group of volunteers from the local high schools have been contributing their time to assist in the supervision of the youngsters and all has been working out well.

safety report

Continued from page 1.

13 of the 24 accidents in the last six months occurred on the highway. Eleven accidents occurred at the intersection of the St. Albert Trail and 137 Avenue. In light of the two fatal accidents which were head-on collisions, the median was a major recommendation.

Regarding the intersection of St. Albert Trail and 137

Avenue, the committee felt that a separate green phase (lagging green) should be provided for southbound traffic, that the separate left turn lane should be extended in length, pavement markings on the intersection approaches be of the plastic inlay type, and that the east approach on 137 Avenue should be widened to allow

extra storage.

The committee also recommended that the intersection of 156 Street and the St. Albert Trail be improved. The report did not recommend any changes in the speed limits on the St. Albert Trail.

The report was referred to council for consideration at their next meeting.

transportation

Continued from page 1.

Coun. Broadner felt that alignment of the ring road should be such that it retained adequate buffering. Mr. Broadner also felt that it was important to get underway immediately with the ring road and the by-pass route and immediately take interim action with existing routes.

Coun. Lukay agreed with the concerns expressed by Coun. Smith, Thronson and

Broadner. He also felt that the problems within Edmonton's transportation system influenced the St. Albert situation, and that public transportation could be a solution to keep the impact of the town's traffic needs down.

Mayor Plain expressed concern regarding the control of the restricted development area and felt that it would be desirable to

retain St. Albert control of the area where it borders the town. Coun. Wetsch felt that improved transportation would result if the traffic circles were eliminated.

Mr. Jamison answered the comments made by the mayor and council and noted that their concerns would be imparted to the mayor of Edmonton and city commissioners when he met with them on June 11.

hears views

Continued from page 1.

proposal was accepted, none of the present users would receive less time. Bernie March, director of parks and recreation, felt that time swaps may have to be worked out but if all concerned "put their heads together," a suitable schedule could be drawn up. Regarding which of the users would be relocated to the Sturgeon Arena, Mr. March noted that a decision would be made according to which activity would be of greatest benefit to the town. He explained that improvements to the ice plant at the arena, at an estimated cost of \$3,700 could extend the length of the arena season, relieving time constraints to a degree.

Coun. Margaret Smith noted that relocation of public skating time to the Sturgeon Arena would be useless, Coun. Lukay cautioned that if the team was accepted they could pressure the council in the future for concessions. Mr. March felt that the concerns could be built into a contract with the Junior A team.

Coun. Thronson pressed for further information and expressed concern for the other users. Mayor Plain noted that he was in agreement with the need for further information to arrive at a decision.

Coun. Broadner moved that the committee recommend to council that they authorize staff to negotiate

with Mr. Messier of the Junior A team for a contract to be brought back to council. He also moved that staff prepare a report which will

include all information pertaining to the decision. The motions carried 6 to 0. Coun. Myrna Fyfe was not present at the meeting.

franchise

Continued from page 1.

committee consult the boys as to their feelings on the matter.

Gary Ferguson, a hockey player from St. Albert who played with the Bruins last year, told the committee that "most of the players would just love to have one (Junior A tier 2 team)." He confessed that he would like to see such a team in the town "even if I couldn't make the team." Gary noted that the Junior Bruins team was primarily a recreational hockey team and did not have much attraction for the more serious hockey player in the town; such players, he noted, were leaving home to play on other teams - occasionally leaving the province.

Coun. Thronson asked Gary what he would choose - either the Junior Bruins or the tier 2 team - and Gary said that the tier 2 team would be his choice because there would be more people out to watch, it would be more fun to play, and it would be of greater benefit to the younger players than the Bruins team.

Several other young hockey players from St. Albert were present and all expressed

their preference for the Junior A team. Darryl Billsten, who played Junior A hockey in Vernon last year, told the committee that he would have preferred to play hockey in his hometown rather than have spent the winter playing elsewhere. He stated that he could have stayed in St. Albert and played on the Bruins but "where could I go from there?" A young player who played with the Juveniles last year told the committee that he felt that the team he was with was as good as the Bruins and he and his other teammates felt that the tier 2 team would be worth trying out for.

Two other local hockey players echoed the preceding remarks and noted that they would support a Junior A tier 2 team for the town.

Mr. Bob Taschereau, a coach of a bantam team in town, noted that the calibre of hockey played by the Bruins had gone down and he viewed the team as "an exercise." He felt that the coaching would improve with a tier 2 team and it would give the young player something to look forward to.

Famous roping act thrills rodeo crowds

Black Light Roping, probably one of the most initiated acts in rodeo, was originated by J. W. Stoker of Overland Park, Kansas, after performing for American servicemen in Korea. Rodeo Chairman Gerry Rayburn has been in contact with the famous artist and prospects look good for his appearance here this weekend.

The act has recently been changed, whereby Stoker makes an entrance through a large paper horseshoe, which is glowing under the magic of black-lites. As the white horse jumps through the horseshoe, she too lights up as though luminous - along with all of the equipment and ropes. His entrance is accentuated by the spinning of a 75 foot rope called the Cowboy's Wedding Ring.

The routine consists of various butterfly and flat loop routines, both on horseback and on the ground. He also performs various tricks

with two ropes, and puts the finishing touch on the act with the famous Texas Skip.

Stoker started his rodeo career in 1939 as a juvenile performer with the Clyde S. Miller Rodeo. At the age of 12 he had his picture on the back of "Wheaties" as the Juvenile Champion Trick Rider.

He has rodeoed steadily with the exception of the war years and his two year hitch during the Korean conflict.

While serving with the armed forces he was attached to the Soldier Show Section of Special Services; spent the first year at Ft. Benning, Georgia, entertaining troops and also doing various shows in town to promote goodwill for the Post.

While at Ft. Benning, he used his two horses in shows; on being assigned to duty in Korea he used only his ropes. It was part of the show, "Stop-look-and-listen" which depicted a trip through the U.S.A. his job, naturally, was to take care of the West, which he did by presenting his rope spinning act. It was here that he conceived the idea of the black light roping, which he introduced to rodeo upon completing his service.

Stoker admits the highlights of his rodeo career was in 1957 when Dan Coates flew J.W. and his horses to the Dominican Republic for an international show and rodeo and the same year to Havana Cuba Fair and Rodeo. Then in early 1970 Buster Ivory flew them to Europe for the show, "Rodeo Far East." Just recently he returned from Japan where he trick roped and rode for the Casey Tibbs Rodeo.

In addition to his Black Light Rope Spinning, J. W. Stoker is known for his trick riding and fancy horse catches. His trick riding has been filmed for newsreels and performed on the Arthur Godfrey television program. For his act Stoker rides one of several colourful fast running Paint or White horses.

J. W. Stoker believes that colour is an important part of any Rodeo Act and his Black Light Roping routine has plenty of that! Sometimes on horseback and sometimes on the ground Stoker creates magic with his 75 foot Cowboy's Wedding Ring Rope, a variety of tricks using two ropes. He usually finished his act with the famous Texas Skip and has worked nearly all of the big rodeos on this continent and abroad.

When making his rodeo circuit, Stoker uses two horses (both broken for trick riding) in his fancy horse catching routines. For these, he uses a Mexican Magway rope to lasso both horses while standing on his head. The jump-through loops on horseback and the somersault catch are also parts of this act.

He has worked practically all of the big rodeos in the country at one time or another. The majority of them he has worked several times, such as Nebraska's Big Rodeo in Burwell on 16 different occasions; 10 times each at Sidney, Iowa's Championship Rodeo and

Belle Foudche, South Dakota Madison Square Garden, New York; The Astrodome in Houston with Roy Rogers; The Denver Stock Show and Ft. Worth Rodeo.

He believes that colour is an important part of any rodeo act. This can easily be seen by his many outfits, loud-coloured horses and horse trailer, which matches the auto pulling it.

His season usually takes him some 30,000 miles annually. With him he carries around 18 different costumes for the arena along with about five various hats, and some eight to 10 pairs of boots.

Summer Cooling?

If you've been contemplating Summer Cooling, we offer these helpful hints.

In summer, the hottest part of your home is the attic. One of the most economical and efficient ways to cool your entire home is by removing superheated air with an automatic attic ventilator, and in Alberta, it may be all you really need for summer comfort.

TOTALLY AUTOMATIC

During a normal summer day, attic temperatures can often exceed 65 degrees Celsius. This trapped air keeps your home uncomfortably warm both day and night.

A thermostatically controlled attic fan removes hot air rapidly, economically and automatically. Just set the thermostat and forget it.

PROTECTS YOUR HOME ALL YEAR LONG

Temperature differences between attic and living area occur all year long. In winter, moisture-laden air condenses and becomes damaging ice and frost in your attic. Adequate ventilation provided by an attic fan removes this moisture automatically. Paint, plaster, insulation and roofing will all last longer.

LOW COST COMFORT FOR YOUR ENTIRE HOME

An attic fan cools your entire home without drawing dust or pollen-laden air into the living area. Your family will probably sleep more comfortably and feel better during those hot, sweltering days.

QUICKLY AND EASILY INSTALLED

The power attic fan is quickly and easily installed. The lifetime lubricated electric motor requires no maintenance, is grounded for safety and protected against electrical burn-out.

REFLECTS

Get rid of the Bomb while the grass still grows

Our young people seem to realize subconsciously that they are living under a shadow more terrible than anything witnessed since the first cave man smashed the skull of his first human victim.

The following letter sums it up very nicely; that unless we get rid of the shadow posed by nuclear weapons and the foolishness which could unleash the unthinkable catastrophe, our days on this planet are numbered. It is also refreshing to hear such wisdom from a Grade Nine student, Marcel Sale, of Georges P. Vanier High School in Morinville. So many times we hear such bad publicity about our young people, their association with the drug culture, that we do not think them capable of the perception and insight shown in this letter. The honesty of this letter by a Canadian student is in sharp contrast to the policy of a Federal Government which can still justify the proliferation of nuclear weapons by selling nuclear reactors to "undeveloped nations" for "peaceful purposes." No wonder society has a drug problem!

But read the following letter for yourself. You will see that it reflects accurately the feeling of the common man in these trying times.

OUR PLANS IN THE BALANCE

How many of you have plans for the future? Do you realize that all these plans may be in vain? At the rate that we are going now, we should be counting our blessings for each day the earth exists. We are all living on a war threatened planet. The rich nations are developing stronger and faster means of destroying the earth.

How soon we forget the disastrous bombs that fell on Nagasaki and Hiroshima. Greed once again dictates our actions. The greed for power. Perhaps soon we will be engulfed in a war that will not be ended. Not only the war but all of its inhabitants as well. All our plans and hopes for the future, all destroyed. Because of ignorance we fail to see this approaching disaster.

Wars have been fought since the beginning of time, and ever since then weapons have been improved. They began using whatever man could find: rocks, clubs, etc., and as his technology grew his weapons became more deadly. Man always tried to make more sophisticated weapons, in order to overpower his enemy. During World War Two, on August 6, 1945, the ultimate weapon was used, the Atomic Bomb. It was used not once but twice. Once on August 6 on Hiroshima and again on Nagasaki on August 9. These bombs had 2000 times the power of the largest bomb previously used in warfare. Not only was the explosion itself disastrous but the radiation left from the bomb took its toll too. When man saw the power and devastation of these bombs, he realized the chilling thought of total destruction. So man said, "We must not use these weapons in order for us and our children to live."

Fear of death stopped man from warring. However today nations again race with other nations in order to have more sophisticated weapons. If man fails to change his ideas about life, the end is inevitable. We are all living on a time bomb capable of exploding anytime. All we need is for one man to light the fuse. A fuse that is not extinguishable. Once the fuse is lit all that we can do is shorten it. It is no longer a matter of survival of the fittest but rather of survival itself.

Man with his ability to reason has brought us to the end of life on earth. But there is still a chance, a remote chance of survival if we begin to reason with ourselves and get rid of our destructive weapons. We can still turn back, there is still green grass and the sun still shines on us. It's up to you and me and our neighbor. If you want to live you will have to stand up and demand that something be done for your protection and that of your children to fall asleep in safety and to awaken again assured of peace.

We should not anticipate having to strive continuously just in order to stay alive. You may think that you are powerless and can do nothing to improve the situation, but you will be the sorrier for that decision. For when you feel death drawing close, when you can hear that fatal bomb dropping, you will be able to blame no one but yourself for not fighting for that right to live. The choice is yours - life with peace, or death with war.

PROVERBS 29, VERSE 25

The fear of man bringeth a snare; but whose putteth his trust in the Lord shall be safe.

CARTER MCKEAGUE

"Hey Gerry, how would you Kinsmen Rainmakers like to hold your Rodeos more often?"

to the Editor Children lack play areas

When Mrs. Heine of the Department of Recreation and Parks came to our kindergarten meeting recently to talk on the value of play one of her statements was "Too often play is left for leftover time in leftover spaces." This is so evident in St. Albert.

I am aware that designated areas for playgrounds are presently in the grass growing stage and will be for another year. However, Lions Park is here and now. I can't see why the Town of St. Albert can't update the equipment and improve the deplorable state of the washrooms. Perhaps the glass riddled grounds could be cleared as well.

I have recently received information from the Children's Environment Advisory

Service. One of its interesting statements is "Only 25 per cent of Canadian children are involved in organized sports." Yet that is where the money is going - to arenas and little leagues. What about the other 75 per cent?

Some other information the kit had was "How to organize an adventure playground." I would like to eventually see one of these in one of our ravines. What a tremendous outlet it would be for older children. I would prefer to see them create and hammer their frustrations out in this type of playground rather than destroy schools, steal cars, gas tank covers. Many people feel it is a sign of the times, I feel it just

boredom. Why is Lions Park covered with glass? Six to 16 year olds have play needs as well. Our present park does not meet their needs.

I realize I'm asking for the Moon. As one mom said to me recently - "I don't care what they put in so long as they do something soon!" European countries have these parks. Are Canadian children different - do they not have these needs? Do they break more easily? - do they destroy more often? What are we waiting for?

JoAnn Symonds.

AROUND TOWN

The Sturgeon General Hospital Auxiliary held a wind-up Strawberry Tea meeting at the hospital cafeteria on Monday, June 9. President Mary Bondarevich welcomed members and their guests and gave a special welcome and thanks to those non-members who help the Auxiliary in its many ventures. Out of town guest at the tea was Mrs. Margaret Long of Vancouver.

Rodeo Publicity Chairman, Wayne Armistead announced Monday that due to circumstances beyond their control, it will not be possible for the Kinsmen to have the parachute drop at the rodeo grounds this weekend.

Lines below last week's photo referred to the bilingual kindergarten, which is actually a bilingual play-school. As St. Albert does not at present have a bilingual kindergarten, this led to some confusion.

Scatter capital out says Taylor

Nick Taylor, has asked that the Loughheed government make representation to the Federal Government and to the proposed commission studying big business in Canada, against the proposed merger of the Argos Corporation and the Power Corporation. "There is no question," Mr. Taylor said, "that such a merger would reduce sources of capital to us in the west." The Liberal leader was speaking at a Liberal luncheon in Edmonton Centre beginning the reorganization of the west Edmonton provincial constituencies.

Mr. Taylor stated that the Loughheed government has been quick to complain and loud in their protestations in that eastern Canadian financial circles do not perform the functions westerners would like to see performed. The Liberal leader went on to say that he and many others in Alberta support the diagnosis of the illness. "I would call on Mr. Loughheed," Mr. Taylor said, "to show some leadership and not sit idly by under an excuse that it is a federal matter." "Big business is everywhere," he said. "It is too important to be left only to Ottawa and the big business in the business community."

Mr. Taylor went on to say that strong representation with the research and background to only a provincial government can supply should be submitted to Ottawa. He said that it is the proper way to deal with the proposed merger, and whether it is in the best interest of Alberta. "Much better a strong informed submission before the fact," the Liberal leader said, "rather than petulant complaints after the fact."

Mr. Taylor stated that capital should be scattered out in as many decision making units as possible because concentrating large amounts of capital in fewer and fewer administrative hands will exaggerate and prolong the very condition the west has fought against for many years.

GOOD LUCK!

DISPERSING LIGHT amidst the gloom, from left, followers of the 17 year old Guru Maharajji, Kirk Laidlaw, teacher of the Guru, Mahatma Prakash Bai, of Bombay, India and Alan Rose.

Making the world a peaceful place to live

There have been many attempts to make this world a more peaceful place to live in.

But the message of meditation teacher Mahatma Prakash Bai, of Bombay, India, a follower of the prophet master Guru Maharajji, is that if conflict is to disappear from the world, it must be rooted out from its more secure seat, the human heart.

Mahatma has been teaching the North American public the ways of her 17 year old master for some time now and has visited over 60 American cities as well as 20 Canadian cities. In 1972 she completed a tour of Europe which she found a beautiful place, pointing out that there are many followers of the master there.

Over the past two weeks Mahatma has been in the Edmonton region and also popped over into St. Albert for a five day session with town residents telling them how to bring happiness to their lives.

She says that she has found that there are many people who are not happy with their jobs, doctors, housewives, and feels that this is because they have been conditioned this way, thus bottling up their own individuality.

"Our message is that there is a beautiful light within us and when we connect with these things, then a complete change takes over us physically and mentally and we start leading a natural life."

She feels that the "system" as we have come to know it in an urban setting has conditioned us away from our true nature and that meditation is the best way to

restore order.

Mahatma, who has been in Canada for two months, emphasizes that the real purpose in life is peace of mind and that jobs are only a means of earning a livelihood.

She claims that the Guru is offering the formula to a troubled world - the light - which can best remove all conflicts. And she points out that this is right in line with Christian teaching on the same subject.

She says that once we understand the root cause of conflict, then all conflict disappears and the whole world can be unified.

On pain she states that, "physical pain can be attended to, but we need medicine for the soul."

Mahatma will be giving courses on meditation according to the Prophet Master, in Edmonton, before going to the next port of call, Minneapolis.

And after she is gone, those who wish to know more on the art of self-knowledge can take introductory programs in the subject at the Divine United Organization 9803 - 111 Street, Edmonton every Saturday morning.

GOOD LUCK!

Bike-A-Thon increases sponsorship total

The annual Breakfast Lions Bike-a-thon went off successfully on Saturday with about 150 riders covering the 25 mile course.

Mr. John Kaminski, spokesman for the Breakfast Lions, reports that the top

rider this year appears to be Father Jake Joly with close to \$700 in sponsorship. A close second is Mr. Tony Raven with a sponsorship of about \$467.00.

Mr. Kaminski said that although there were fewer

THE EIGHT O'CLOCK STARTERS in the Lions Bike-a-thon lined up for a photo before taking off Saturday morning. Lion John Kaminski between President Tom Flynn and M.L.A. Ernie Jamison was happy with the results of this year's event.

riders in the bike-a-thon this year, the sponsorship is up about 1,000 dollars from last year.

He told the Gazette that Mayor Richard Plain was also healthily sponsored and if he is able to collect all his money, he will bring in more than the Mayor of Spruce Grove, Joe Murray, who came out to participate in the event.

This year's bike-a-thon drew riders from Edmonton, Spruce Grove, as well as the St. Albert and surrounding area. Father Joly began his run at 6:30 in the morning so as to get through the three circuits of the course in time for the wedding he had scheduled for later on. Other riders were not such early risers - the V.I.P. group started on their circuit at about 8:30 a.m.

Mr. Kaminski states that the competition winners will be announced as soon as all the money has been turned in. The Bank of Nova Scotia and the St. Albert Credit Union will be accepting bike-a-thon contributions.

Next year we will be giving away more prizes and trophies, says Mr. Kaminski. He reports that the prize for the best sponsored student will be a bicycle.

Lions induct new officers

The St. Albert Lions Club held its regular meeting at the Club Moombo on June 3 with the wives of the members present. This meeting saw the 1975/76 executive inducted into office by District Governor for 37E, Lion Brian Stevenson. District 37E is that area of Alberta in and around Calgary.

Numerous committee reports were given and in particular the news from the Casino Night on the 30th was heard. Only one door prize remains to be given out and the holder of ticket #361 is asked to call Brian Jeffery 458-2952 and claim this prize.

Casino Chairman Brian was appreciative of the support of all those people who attended to make the casino the success that it was, and hopes to see them all again next time.

Education meeting hears report on role of counsellor

The St. Albert Protestant School District met on Wednesday, June 4 for its first regular Education meeting. Trustee Don Munro chaired the meeting and requested Mr. Dave Thomas, supervisor of guidance, to report on the role of the counsellor.

Mr. Thomas made a report during which it became

evident that guidance counsellors are involved with all the children in school, not only those who may be in need of some help or guidance. He explained that counselling skills are used in four ways: counselling students; assisting school staff; assisting parents; and, coordinating services. These

four functions differ in proportion to the level of the school.

For instance, student counselling is less in elementary schools than it would be in junior high and lesser still than would be the case for high schools. Conversely, parental assistance decreases in the higher level

schools. These differences are due to the growing maturity of students and their ability to fend for themselves.

Included in the elementary counsellor's role are items such as counselling individuals and groups on behavioral matters and feelings towards peers, parents, tea-

chers etc., diagnostic testing, information gathering and assisting in referrals to doctors; special classes; and, assisting teachers with socio-emotional development of children.

The counsellor performs similar functions at the junior high level with additional items such as boy/girl relationships, family relations and program needs.

At the high school level, further additional subjects are introduced to take care of career events and to help set up programs related to post-secondary education. Counselling in respect of drug problems and parent-adolescent relations can become necessary at this level.

The recommendations presented to the board included the desire to see trustees becoming more familiar with the work being done in the schools. Counsellor qualifications and the ratio of counsellors to student populations comprised other aspects of the recommendation.

On controversial issues, a guideline for confidentiality was suggested which read as

follows. "The counsellor will not reveal information given by students unless the information given is felt to be essential to the welfare of the student himself, or affecting the welfare of other people. In these extreme circumstances the counsellor will try to obtain the student's permission to release the information to the appropriate person(s) such as parents, administrators, police etc. If permission is not granted the counsellor will then inform the student why he must release the information to the appropriate person(s)." On the question of allegiance, the counsellor's role is to keep the total welfare of the children in the forefront at all times.

At the present time, services within the district include counsellors in each school, remedial reading teachers, resource rooms, an opportunity room, a reading clinic and a school psychologist. Services outside the district include several special schools in Edmonton and various medical and counselling organizations in St. Albert and Edmonton.

Local musicians do well at Festival

St. Albert music teacher, Fran Schuchard reports on the following local winners in the Kiwanis Festival:

Monte Gagnon, second, folk song, modern idiom; Mary Lou Lukay, first, musical theatre 12 and under; and Mary Lou was also awarded a scholarship from the Festival Association; Cathy Holden, first in vocal duet with Susan Schuchard and second in special solo; Martha Schuchard, second, musical theatre 12 and under, and first in speech recital.

Susan Schuchard won in addition two firsts, in musical theatre vocal solo 19 and under, and in sacred solo, 19 and under; and three seconds; vocal solo recital 19

and under, high opera solo, 19 and under and soprano solo, 18 and under.

The Balmoral Balladeers placed first in the community music class, the Schuchard family placed second in this class and the Diaspora folk group placed second in the folk chorus senior category.

The North Edmonton Ecumenical Choir won first place for the senior choral recital class.

The Balmoral Balladeers is a group comprised of senior citizens, parents and their children, and students from St. Albert and Edmonton schools who entertain regularly at hospitals and rest homes. The Diaspora is a smaller group within the Balladeers.

Organized six years ago the community singing group's repertoire includes folk songs, madrigals, traditional and modern works.

The North Edmonton Ecumenical Choir has been singing annually at Palm Sunday services. They were

sponsored by the East Edmonton Ministerial Association and co-directors are Helen Faote of Pilgrim United Church, Bill Shillabeer of St. Matthews Catholic Church and Frank Schuchard of St. Albert Roman Catholic Church.

Bride-elect showered

Patti Cockwill, bride-elect, has been honoured recently at two showers. Ireen Slater was hostess for a miscellaneous shower at her home on Greenbrier Crescent, attended by about 18 ladies. Special guests were Joanne Cockwill, mother of the bride, Doris Hamilton, mother of the groom and the bridesmaids, twin sisters Linda Hunter of Edmonton and Louise Rother of Morinville. A chef's hat was turned into something quite different when decorated with the bows as Patti opened her lovely gifts and thanked her friends.

Former St. Albert resident, Mrs. Peggy Hanneman hosted a shower in Patti's home for about 25 ladies, including the bride's grandmother Mrs. Rita Cockwill and an aunt of the groom, Mrs. Maisie Hamilton, both of Edmonton. Patti again received many beautiful and useful gifts for which she graciously thanked all present. Diets went by the board on both occasions as the

guests enjoyed the delicious luncheons served.

Patti will be married to Craig Hamilton of Edmonton on June 21st.

Photography at its best -- a display of still photography by Alberta's top professional photographers is on display at the Grandin Shopping Plaza. The display will cover most of the province and had just been shown at the Meadowlark Mall before coming to St. Albert. Of interest to the residents of St. Albert is the display of Victor Post of St. Albert. Vic resides at 24 Sunnyside and has been an avid photographer for 12 of his 22 years. Over the years he has accumulated an exceptional amount of equipment including his own colour laboratory. On leaving St. Albert, the display will go on to other shopping centres in Alberta.

Dave Stewart elected next District Governor for Kinsmen

With the election of Dave Stewart as Vice-District Governor at the Kinsmen Convention in Grande Prairie, the Kinsmen Club of St. Albert, a relatively young club formed 11 years ago, have produced their third District Governor, which office Dave will take over next year.

Under Campaign Manager and President, Terry Moore the membership were solidly behind Dave and worked hard for his election. Over 30 couples travelled by bus and cars to the convention, with a well planned schedule. Kinsmen, Kinettes, K-40s and K-ettes were all repre-

sented. For the parade held Friday evening the St. Albert club had a huge Hoss Hat float, complete with the bath-tub they had entered in last year's Rodeo canoe race, with candidate Dave taking a shower - surrounded by a lively kickline of local Kinettes. There were over 1,000 registered at the convention and their parade was one of the biggest ever held in Grande Prairie.

"Elect Dave" posters and fact sheets were posted in all the rooms and the local K-40 Club ran a hospitality room in support of their man. Dave was introduced to the convention by Ben Lemieux and outlined his policy in his pre-election speech.

on Finance. Working with other experienced officers in the zone these people will provide Mr. Stewart with information and insight on District affairs which will bring him well prepared to the office of District Governor. In this capacity Dave plans to stress the importance of Self Improvement to the overall goals of Kinsmen, along with continuity of District programs.

A chartered accountant with a fine record of community involvement, Mr. Stewart brings valuable experience to his new post, plus a capacity for hard work and an infectious enthusiasm which will be a definite asset in working with the 65 clubs in the district.

The St. Albert Club won an Expansion award from the National Kinsmen Organization, one of 14 clubs to receive these trophies. The local club had a quota to move from 48 to 53 members in the 1974-75 year and have so far gone up to 68 members. They also won the James Lovick Public Relations trophy for District 4 and received a handsome plaque at the convention. Their submission, presented by Bill Hite for the Service award, on their Lacombe Park Community Centre, lost out to Calgary Club, which entered their children's zoo project. Don Hurl, winner of the spring zone competition was the St. Albert representative in the Public Speaking contest. The club hosted the stag luncheon, flying in Bob Arnold and Fred Fleming of CICA Radio Station to assist with this function.

Previous District Governors from St. Albert were Kinsmen Don Sinclair and Bill Hite.

FIVE-POINT REVIEW PLANNED

Dave has been a Kinsmen since he joined the Barhead Club in 1966, and an executive officer there and in St. Albert Club since 1967. Beginning in his year as Vice-governor he will review the role of District 4, Zone 2, which covers all of Alberta and northern B.C. as it relates to five areas of Kinsmen service work and fellowship. To this end he will as Vice-Governor set up four committees to study and assess four aspects of District Kinsmen endeavour: Kinettes, Service, Communications and Finance. Each committee will be supplied with terms of reference for their study and each will have one or more St. Albert Kin. Beryl Shoults will serve on the Kinette Committee, Terry Moore and Don Hurl on Service, Chris Parker and Al Higginson on Communications and Bill McLaughlin

Edmonton boy killed in tragic St. Albert cemetery accident

A four year old Edmonton boy was killed in St. Albert last weekend following a tragic mishap in the old Catholic Mission Cemetery.

Bruce Regehr, of 14027-63 Street was with his parents Leo and Elsie as well as his seven year old sister Crystal June 7 on a weekend outing to St. Albert when the accident occurred.

The family left the city at 9 a.m. with a six year old girl they were babysitting on the outing. Three hours later Bruce died in the Sturgeon General Hospital after a piece of a four and a half foot tall tombstone came crashing down on him while the family walked through St. Albert's historic cemetery.

A spokesman for the St. Albert detachment of the RCMP said that the boy died in hospital at noon as a result of injuries received in the accident.

The family group had spent the first part of their outing in the St. Albert Lions Park playing near the Sturgeon River railway bridge and up near the railroad tracks.

After this Mrs. Regehr suggested that the family go up to the cemetery to look at the old tombstones. They were wary of the hefty tombstones at first but decided that they looked so solid it would be all right if their son climbed the one he was heading for without coming to any harm.

The stone that the youngster started to climb weighed 85 pounds and before anyone had time to think, Mr. Regehr heard a scream and saw Bruce "hit the ground on his stomach and a piece of the marble falling on him."

According to the parents three pieces of the stone fell to the ground with two pieces

landing on either side of their son.

Perhaps only one chunk, part of the arch, struck the boy.

At first it seemed as if the boy was going to be all right, but after the father picked the boy up he noticed that he was having some difficulty in

breathing and then he went into shock. The boy was then taken to the Sturgeon General Hospital where he died.

The funeral service was held June 10 at the Immanuel Lutheran Church of Christ and cremation followed in the Chapel of Chimes Crematorium.

The spokesman also said that Edmonton Transit System bus drivers are getting up tight about people parking their cars in bus stop zones. This forces them to have their passengers disembark in the street and not the sidewalk. RCMP say that people will now be ticketed for parking their car in St. Albert bus stop zones.

Playschool picnic

"Ain't nothing like a chain and tire." Three year old Tammy Campbell from Ridgewood Terrace Playschool enjoys the final outing at Mayfair Park.

Happiness is a ride on a school bus and a romp in Mayfair's creative playground. Ridgewood Terrace Playschool ended its year with a family picnic.

Twenty-nine children were taken by Kinsmen bus to Mayfair Park. The only program planned was to

climb, slide, jump and explore the many ways the equipment could be used. The children thrived on it and of course after a few hours were ready for the main activity - Eating! It was a fun day that wound up a fun year.

Rodeo Queen Chairman, Roger Lemieux, particularly enjoyed this duty following the crowning of Miss Rodeo 114 at Lions Park on Sunday. At left of Roger and Gina is Miss Loraine Gravelle who was Queen of the Rodeo last year.

Gordon Townend dies at 52 years

The Reverend Victor-Cox, Chaplain for the Charles Cammell Hospital and personal friend of the family, conducted funeral services for William Gordon Townend on Tuesday, June 3 in the Foster and McGarvey Funeral Chapel at 10 a.m.

Musical selections, the 23rd Psalm and The Lord's Prayer, were performed by the soloist.

Honourary pallbearers, members of the St. Albert Lions Club, were Niels Hovdekskov, Henning Larsen, Bill Jones, Bill Webber, Rod Thronsdon and George Simpson. Other members of the Lions Club attended in a body.

Committal service and cremation followed.

Mr. Townend was stricken on June 20, 1974 with what appeared to be a heart attack, just two days after a 25th wedding anniversary celebration arranged for him and Mrs. Townend by their family. It developed that he had a tumor and he was ill for almost a year, and hospit-

alized since September, prior to his death.

Gordon was born in Rotherham, England on April 6, 1922, the son of Mr. and Mrs. Wm. Charles Bower Townend. He was educated at the College of Technology and Arts in Rotherham, in business administration, and after graduation he started on a program of internship in hospital administration which he completed in 1943. His professional qualifications later included membership in the Institute of Hospital Administration, London and in the Anerim College of Hospital Administrators.

He served as assistant superintendent of St. Michael's Hospital in London from 1948 until 1950, and was married to Maisie Lorking of Sudbury, Suffolk, England, in 1949. From 1950 and 1954 he was assistant superintendent at South Lodge Hospital in London.

The family emigrated to Canada in 1954, when Mr. Townend accepted the position of hospital administrator

at the Swift Current, Saskatchewan hospital. He later moved to serve in the same capacity at the Prince George Regional Hospital from 1964-66, and then to Lethbridge until 1972, when the family moved to St. Albert and

Gordon served as the first administrator of Sturgeon General Hospital. He was a member of the Alberta Hospital's Visitors Committee at the time of his death.

An active member of the St. Albert Lions Club, Mr.

Townend served as secretary for three years and as secretary-treasurer for a four year period. He enjoyed home life and the Townends were a closely-knit family, which his favourite hobbies of gardening, stamp and coin collecting reflected. He had a quite extensive collection of Canadian and English coins.

For a number of years he served as an Akela leader, while his son was involved in the Boy Scout movement, and in each place where he lived Mr. Townend served on the vestry of the Anglican Church.

He is survived by his wife Maisie, son Kelyne and daughter-in-law Joyce of St.

WILLIAM GORDON TOWNEND

Albert; daughters Nicola and Beverley, both at home, and a sister Audrey Townend in England.

Animal control working well for most part

Residents of the town are becoming familiar with the animal control bylaw and for the most part are conforming with its provisions, reports Mr. Vern Rheault, director of organization and personnel for the Town of St. Albert.

The animal control bylaw was set up to provide for the licensing, regulating, and for the confinement of dogs and other animals.

"Some of the pertinent points of the bylaw," notes Mr. Rheault, "are the license fees - every dog over the age of three months in the town shall be licensed: each neutered male and spayed female dog is \$5 for the license per year, and male and female dog is \$10.00."

Both Mr. Rheault and Mr. Ross Tupling (animal control officer) stress the importance of obtaining licenses because the metallic tag is a sure method of tracing the owner of a dog. When purchasing a dog license the owner must provide certain information such as their name and street address. This ensures that when an animal is picked up by the animal control officer he knows who the owner is and where he can contact them.

As the bylaw is written, an impounded animal can be put to death two days after it has been picked up. Mr. Tupling does not stick to this rule and usually will keep an animal for a good deal longer before following this drastic course. Sometimes animals are kept at the pound for several weeks before they are placed in other homes or destroyed by a veterinarian. Owners of pets which have been impounded pay \$5 per day for each day that the animal has been in the pound. A fine of \$15 is levied against the owners for animals at large (off the owner's property and not on a leash) if the dog is licensed. If an unlicensed dog is found at

large, the fine levied is \$25 and includes the license fee.

Also under the present bylaw is authorization for anyone to take charge any animal found at large and deliver the same to the animal control officer who shall impound the animal.

People who discover that their pet dog or cat is missing can either call the Town Hall (459-6601), the animal shelter (459-6788), the RCMP or St. Albert Trouble number (458-2020), or the veterinarians. By contacting these numbers the missing pet can either be traced.

It is important to note that under the bylaw contravention of any of the provisions of this bylaw is an offense and liable on summary conviction for a first offense to a fine of not more than \$50, second offense to a fine of not more than \$100, and third or subsequent offense to a fine of not more than \$200.00.

Thank you

We would like to say a warm thank you to friends and neighbours, members of the Lions Club and the Reverend Victor Cox, for the help given us during this time of sorrow in the loss of our husband and father. Your messages of sympathy, floral tributes and many acts of kindness, and your moral support throughout Gordon's illness are deeply appreciated.

Maisie Townend, Kelyne, Nicola and Beverley.

How to handle your boat in safety

St. Albert residents will get well filled in on boat safety if they take a visit to a safety display June 12 and 13 at Grandin Park Furniture Ltd.

The display will coincide with the Rodeo.

At the display the St. Albert Detachment of the RCMP, Dome Insurance and the Small Craft Safety Branch of the Canadian Red Cross will show educational

films on boat safety and handling and give talks and handouts to the public on the subject.

It is pointed out that although there is not a great deal of water in the St. Albert area, (and there was only one drowning in the area last year) many people are getting away from it all in boats. It is wise therefore to be clued in on all aspects of water safety.

Sergeant Art Trace of the St. Albert RCMP Detachment said that RCMP will inform the public on boat safety with respect to the Canada Shipping Act and the Criminal Code so that they are aware of the penalties for negligence.

They will also be showing a black and white film at the display, "Water Rescue." The Red Cross also hopes to show a film and Dome Insurance will show a colour film, "Ripple," about small craft safety.

The boat safety display will operate from 6:30 p.m., and one feature of it will be a display of boats from Terrier Marine of St. Albert. The timing of the wives can get their shopping done and the husbands can take the kids to the show.

There'll be a question and answer period during each show, as well as demonstrations on how to use safety equipment and lifejackets.

This is a great opportunity for the public to learn about boat safety during a time when boating and sailing is becoming such a popular sport.

DON'T OVERPOWER YOUR BOAT

Cree Language course

Grant MacEwan Community College will be offering an intensive course in Cree language this summer. The course will run for hours a day, five days a week commencing Wednesday, July 2 and continuing through to Thursday, August 14.

Students will learn to speak Cree as well as to understand the basic rules of written Cree. A language

laboratory is available for practice purposes.

Instructing the course will be Mrs. Anne Anderson, a veteran teacher who has done extensive work in preparing materials for teaching Cree.

An Alberta High School Diploma is required for admission into this special credit course. Those not possessing a diploma must be 18 years of age and out of school for at least one year.

The fee for the course is \$60.00. Any necessary written and/or recorded material can be obtained through the College.

Further information on the course is available by writing the Registrar's Office at the College's Assumption Campus, 10766 - 97 Street, or by calling 429-2503.

The Student Affairs Department of the College keeps an up to date list of accommodations available

near the campus. Interested students can contact the Student Affairs Department at the above address and telephone number.

R UP FOR SOME DOWN FOR OTHERS

Some drugs will have the exact opposite reaction when taken by one class of people than it will when taken by others. For example, one well known drug that acts as a stimulant to the adult system will have a calming effect when it is taken by children. This one drug is therefore used for two completely different responses.

Many factors can influence the use of the same drug. Age, weight, sex, race, etc. So you can readily understand from this why it can be very dangerous to take a medicine a physician has prescribed for someone else.

YOU OR YOUR DOCTOR CAN PHONE US when you need a prescription. A great many people rely on us for their health needs.

ED DUNK

Winners at the St. Albert Junior High Team Tennis Tournament on Saturday, June 7, was the team from Sir George Simpson School with a total of 66 points. The team from left to right is Kevin Jackson, Randy Fisher, Steven Kirk, Nell Langford, Shaun Hite, and Lori Pratt. Missing from the photo are Sheryl Culp and Wendy Baker. Students from Father Jan School and Lorne Atkins also competed.

Town backs Rangers trip

The committee of the whole voted 6 to 0 in favour of supporting the St. Albert Rangers' proposed British cycling tour in the amount of \$100 per each of the 11 girls participating.

An amendment suggested by Mayor Plain would have made the grant conditional to the girls each presenting a brief relating their experiences on the tour. Only Coun. Lukay agreed with the mayor's amendment. The amendment was defeated 4 to 2. Coun. Fyfe was not

present at the meeting.

Mayor Plain noted that there are educational aspects of the tour and wondered if the school boards had been approached for financial support. Mr. Foster, representative of the parks and recreation board, felt that the school boards had been approached but the group had been turned down. He also noted that because the tour was exclusive to St. Albert Rangers, funding from federal sources of the Guiding organization was not available.

Of the total expense of the trip, \$13,706.00, a balance of \$4,889.12 remained to be raised. Through various sources and activities the girls were able to raise \$1,400 and the balance of \$3,489.12 remains outstanding.

The motion passed by the committee of the whole would have given the Rangers an additional \$1,100 toward the trip.

On their tour of the British Isles, the girls will be accom-

panied by four adults and two 20 year old former Rangers. All the girls are St. Albert residents.

Board signs revised joint use agreement

Trustees of the St. Albert Catholic School District discussed the Revised Joint Use Agreement on Monday, June 9. The Joint Use Agreement is between the two St. Albert school districts and the Town of St. Albert. Some board members felt that certain areas of responsibility in the agreement should be more clearly outlined although they carried a motion made by Trustee E. Lockert to sign the agreement.

Father Jan School which presently houses the kindergarten children suffered some damage from vandalism over the weekend. Glue was spilt over the floor and piano and the room was left in an untidy state. Nothing was taken and an estimate of the cost of damage was not available at this time.

ALBERT LACOMBE STUDENTS ONE WINNERS

Trustees were delighted to

hear that four students from the Albert Lacombe Elementary School won awards from the Canadian National Exhibition in Toronto. The young people involved are Richard Dieb and Gail Melnychuk for their project on weaving; Kathy Berman for picture making; and Robbie Bremault for paper jewelry.

Trustees requested that letters of congratulations be sent to the students and the school.

COUNSELLOR SERVICES FOR PARISH KINDERGARTEN

The St. Albert Parish Kindergarten had recently requested the use of a counsellor for the kindergarten guidance needs. The board agreed that no more counsellor could be allocated to the kindergarten but that counsellors within the district would share the load.

Borrowing bylaws exceed \$1.8 million

Council had six bylaws before them at the meeting on Monday, June 2, which were to receive readings. Five were borrowing bylaws which totalled \$1,866,475.00.

Bylaw No. 3/75, a bylaw to authorize the council to incur an indebtedness by the issuance of debentures for the purpose of acquiring the land and constructing a police building, received second and third reading at the meeting. The cost of the construction is estimated by the consulting architect of the town to be \$134,475 for the land and \$489,000 for the building. The total cost of the project is \$623,475 and there is a \$40,000 grant available to assist in the construction of a police building from the Solicitor General's department. The town is authorized to borrow \$583,475 by the

bylaw.

Bylaw No. 12/75, a bylaw to amend the Zoning Bylaw to establish a Development Appeal Board, received second and third reading. The bylaw establishes a three member board to hear appeals "by any person who claims that the strict enforcement of the requirements of the zoning bylaw would cause him special and unnecessary hardship."

Bylaw No. 8/75, a bylaw to authorize council to incur an indebtedness for the purpose of acquiring land and constructing a municipal building, was given second reading only. The bylaw authorizes council to borrow \$810,000 to acquire the land and construct the building for the Health Unit to lease. The land is estimated to cost \$110,000 and the construction

\$700,000.

Bylaw No. 17/75, a bylaw to authorize council to incur an indebtedness for the purpose of constructing a municipal building, received first reading only. The building in question is the new Day Care Centre facility to be located at Fountain Park and is estimated to cost \$290,000.

RINKS EXPENSIVE

Bylaw No. 18/75 and 19/75, bylaws to authorize council to borrow funds for the purposes of constructing outdoor skating rinks, both received first readings only. The one skating rink, to be located in the Lacombe Park neighbourhood (18/75) is estimated at a cost of \$92,000. The second rink, to be located in Forest Lawn is estimated at \$91,000.

The St. Albert School of Dancing was in fine form during the Rodeo Week opening ceremonies at Lions Park on Sunday. Numerous appropriate themes and dances were performed to the delight of the more than 500 on hand for the festivities.

GRANDIN SHOPPERS MALL PHONE 459-6753

Bermont applies for annexation

The committee of the whole referred a Bermont Investment Ltd. application for annexation of a 14 acre parcel of land at the northeast boundary of the town, to town staff on Monday night.

The above mentioned land lies on the northeast boundary of the town, south of Bellerose Drive and north of the Sturgeon River. To the west of the parcel lie the proposed sites of Calgary Power Ltd. and the Abbey Glen Shopping Centre.

The current land use of the property (River Lots 31 and 32) is agricultural. Bermont has advised council that in

preliminary discussions the MD of Sturgeon have indicated that they have no opposition to, or difficulty with, the annexation.

A letter dated June 3 indicates that the proposed zoning of the property would be commercial.

River Lots 31 and 32 contain 14 acres between Bellerose Drive and the Sturgeon River, while the remainder (north of Bellerose Drive) covers 235 acres.

The vote to refer the matter to staff carried 6 to 0 without discussion. Coun. Fyfe was not present at the meeting.

Opera production scheduled for Cable 10

The complete production of Giuseppe Verdi's AIDA recorded in Verona's ancient Amphitheatre is scheduled for showing on Cable Channel 10, Monday, June 16 at 9 p.m.

The leading roles are sung by Franco Rugiese, Fiorenza Cossotto, Leyla Gencer and

Carlo Bergonsi with the orchestra and chorus dell' Arena di Verona under the direction of Franco Capuana.

One of the world's most spectacular outdoor theatres is the setting for this magnificent production.

Council hears report on recreation grants

The St. Albert Parks and Recreation Board brought forward a draft proposal regarding the criteria under which community organizations may request and acquire grants for recreation purposes to the committee of the whole meeting on Monday night.

The town council passed a motion several months ago which authorizes the Parks and Recreation Board to evaluate and make recommendations to council regarding grants for recreation purposes. The draft proposal designates the criteria under which the board will evaluate requests for grants.

The document notes that grants will be requested under two main areas: service and community clubs sponsoring recreation and/or special events, and grants for cultural activities. Also noted is that each year's grants should be judged on their own merits, with no consideration being given to whether or not grants have been awarded to the same organization in past years.

A grant for recreation purposes can be a donation of cash, materials or time, states the proposal. Criteria in order of importance are stated as: the event, activity

or service should service the greatest number of citizens of St. Albert, should benefit citizens outside the group sponsoring the activity, should not already be available in St. Albert, and should be given extra community recognition as a result of the event, activity or service.

The document notes that the applicant should meet the following qualifications; shall be active within the town, shall be non-commercial, shall be registered under the Societies Act, and shall have a yearly financial statement as required under the Societies Act.

The applicant shall present a detailed statement of need, including a justification based on the criteria established for grant application. The application shall include the previous year's financial statement the same as required under the Societies Act. Applications for grants shall be made prior to October 15 for the following calendar year, except in the case of special recognition or achievement grants, which may be presented to the Parks and Recreation Board after that date for special consideration. A statement of expenditure or report of grant allocations shall be

submitted to the Parks and Recreation Board after the event, activity or service has concluded.

Coun. Rod Thorndson mo-

ved that the draft proposal be referred to council. The motion carried 6 to 0. Coun. Myrna Fyfe was not present at the meeting.

AROUND TOWN

Dave and Ellie Atkinson entertained a large group of friends at a housewarming party in their new home on Livingstone Crescent Saturday night, (which probably

isn't news to the people on Livingstone). The young couple both grew up in St. Albert and are really happy to be back after a year of apartment living in the city.

Trustees briefed on orientation program

An explanation of the Grade One Orientation Program was given to the trustees of District No. 6 by Mrs. Muriel Martin, assistant superintendent (elementary education), at the education meeting held on Wednesday, June 4.

Mrs. Martin said that the Grade One Orientation Program was initially instituted as a three-day program to provide primary

teachers with an opportunity to assess the "readiness" level of grade one entrants prior to the fall term. Based on the results obtained, students were then grouped into classes and teachers subsequently planned programs in terms of student strength and/or weaknesses. Support staff involved in the orientation program relative to assessment were kindergarten teachers, district office staff, e.g. supervisor of guidance and supervisor of reading, and the nursing staff from the Sturgeon Health Clinic.

Currently the program involves a five day period with part of the time devoted to acquainting parents with a preview of curriculum for

primary students as well as detailed information concerning individual student assessment. The latter frequently alerts the parents to the need for further steps on their part in reference to medical referrals etc.

Mrs. Martin concluded saying that although schools follow a basic philosophy in respect of general assessment of "beginners" a uniqueness of program does exist in individual schools, especially as related to the parent/community participation. She added that each teacher too, has flexibility to develop programs to the extent of selecting what material is essential to a well-rounded orientation program.

Chosen as Miss Rodeo 114 on Sunday, June 8, was 16 year old Gina Bell [centre] while Wendy Versteat (far left) was named Miss Congeniality. All of the girls are more than deserving of any crown. From left to right - Wendy Versteat, Ruth Borie, Gina Bell, Janie Bosiak, and Barb Morgan.

Unitarian president elected

A St. Albert woman has become president of the integrating council for 50 Canadian Unitarian societies.

Elaine Royer of the Unitarian Church of Edmonton, 12530 110th Ave., was elected president of the Canadian Unitarian Council at its 14th annual meeting in Edmonton last week.

Mrs. Royer, 90 Grandin Road, St.-Albert, was a secretary for the Edmonton Eskimos Football Club before becoming secretary at the Edmonton Unitarian Church, a position she has held for the last five years. She and her husband Don have two children, Risa, 12 and Craig 10.

ELAINE ROYER

AROUND TOWN

Renee Laird of the Town Recreation Department left last week for a three week holiday with a friend from Vancouver, Suzanne Casey. After a few days in New York they flew on to Bermuda on Sunday.

RODEO DRAWS

Win a Salmon Fishing Trip to Campbell River, B.C., with Deluxe Tours - to depart July 4th, 1975. Entries on Page 16 of your Rodeo Program must be deposited in the barrel at the Rodeo Grounds and prize must be claimed by Midnight June 15. Be sure your entry is in for this exciting trip!

VEGA GT 2-DOOR HARDTOP

Get your tickets for \$1 on this beautiful little sports car. Winner will be drawn on the Kinsmen Car Raffle on Sunday, June 15 during intermission at the Sunday afternoon Rodeo performance. Tickets must be in the barrel at the Grounds.

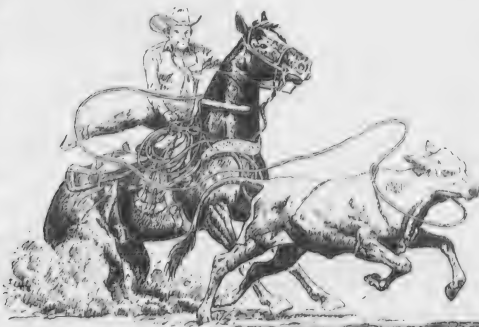

EVERYBODY LOVES A RODEO PARADE

Parade starts at 10 a.m. sharp Saturday morning - from the corner of Grosvenor and Granite. It continues down Grosvenor to Grandin Road, east on Churchill Avenue and down Perron Street across the bridge to end on Mission Avenue by Father Jan School. Entrants should report to the control area at Grandin Road and Gate Avenue at 9 a.m. with form-up number.

FREE RODEO BREAKFAST

Start your day Saturday by having the Lions Club members serve you up a genuine Western Style Breakfast at Lions Park between 7 and 10 a.m. Sponsored by the St. Albert Lions and Local Merchants.

THINK SUN!

RODEO PERFORMANCES

FRIDAY, JUNE 13 - Midway Opens at 6 p.m.

SATURDAY, JUNE 14 - Official Opening ceremonies at the grounds - 2 p.m. followed by the First Rodeo Performance, featuring some of the continent's top performers and Reg Kessler's stock. Duane Reichert will be here as Rodeo Clown - playing his dual role with hilarious antics and as a safety man for the performers.

THE PARACHUTE DROP WILL NOT TAKE PLACE. DUE TO CIRCUMSTANCES BEYOND THEIR CONTROL THE KINSMEN HAVE ANNOUNCED CANCELLATION OF THIS EVENT.

THE SATURDAY EVENING RODEO PERFORMANCE BEGINS AT 7:30 P.M.

SUNDAY, JUNE 15 - Rodeo Grounds Open at 12:00 Noon
Rodeo Finals begin at Two O'Clock
DRAWS - Salmon Fishing Trip and Vega Car will be held during the Rodeo intermission.

RODEO GROUNDS CLOSE -- 6 P.M.

BEERFESTS AT ARENA

THURSDAY, JUNE 12 - MUSIC BY THE PATCH - 8 P.M. TO 1 A.M.
FRIDAY, JUNE 13 - THE PATCH - 8 P.M. - 1 A.M.
SATURDAY AFTERNOON - FANTASTIC FIELD SHOW FEATURING FOUR MARCHING BANDS AND A KICK LINE
SATURDAY NIGHT - MUSIC BY THE BAND OF SOUND - FROM 8 P.M.

Sports

Girls fastball leagues head into finals

Heading into the last week of the schedule A & H Steel, led by the brilliant pitching of Judy Hill, are in top spot in the Hercules Girls Softball League. With Westcon running behind them, both teams have clinched a playoff berth.

The last playoff sport will be decided in next week's play, as Pro Western Plastics are closing in on the Dairy Queen. The Fire Department are finishing out the season

strong and could just burn a few people.

There is an exhibition game to be played on Rodeo Saturday, June 14, when the Hercules Girls All Stars will meet the St. Albert Spooks. The All Stars line up will be formed from all the teams in the league and the Spooks can be relied upon to give them plenty of tough competition. All players, coaches and parents are urged to attend this exhibition game

to see some fine ball played by the girls and their opponents. Game time is 2:30 at the Mission Park diamond.

The younger softball division has a week and a half left in their schedule and there's a tight race going on there for first place, between the Roadrunners and the Super Sluggers.

Standings for both divisions are as follows:

12 TO 16 YEARS

	W	L	P
A & H Steel	9	1	18
Westcon	6	3	12
Dairy Queen	5	5	10
Pro Western			
Plastics	3	7	6
Fire Dept.	1	9	2

8 TO 11 YEARS

	W	L	T	P
Super Sluggers	10	0	1	18
Road Runners	10	0	1	20
Blue Bombers	7	4	0	14
Mustangs	5	6	0	10
Hot Feet	2	7	1	5
Blue Speeders	2	6	0	4
Champs	1	8	1	3
Wipe Outs	1	9	0	2

Oldtimers baseball

The St. Albert Oldtimer's baseball team (40 years and over) will hold practices June 12, 19 and 26 at the Mission Park diamond, behind the

Percy Page Centre. Practices will start at 7 p.m. and anyone interested in playing are asked to attend.

Bantam Baseball

Sixteen games have been played up to last weekend in the bantam division of the St. Albert Minor Baseball League. That's two-thirds of the regular schedule already disposed of, with each team having four games left to play. The teams are very evenly matched, with eight of the 16 games showing a difference of two runs or less between winners and losers.

The EXPOS are still undefeated. Although four of their eight games were won by slim margins of one or two runs, Walter Lee's boys have been hanging very tough. Anyone of the other teams could be the giant-killer, and the pressure will really be on the Expos from here on.

Standings to June 6 are as follows:

	GP	W	L	T	P
Expos	8	8	0	0	16
White Sox	8	4	4	0	8
Cubs	8	2	5	1	5
Cardinals	8	1	6	1	3

Morinville wins two

Two grand-slam homers by Rick Pugliese and one each by Barry McGilles and George St. Laurent powered Morinville Seniors to two 14 run league wins beating Legal 14-9 and Linaria 14-4.

Morinville's hard hitting nine then toured to Fort Saskatchewan, for a weekend tournament. Roger St. Arnold sparked the seniors to a 5-4 victory over Westlock by mowing down the first 19 batters he faced. Morinville was however eliminated by Waskatenau 5-4, who incidentally shut out Fort Saskatchewan 2-0 in the finals.

St. Albert High wins six track berths

On Saturday, June 7 St. Albert High sent 11 competitors to the annual Northern Alberta Regional Track and Field meet at Lloydminster. Six of the 11 will advance to the provincial finals at Seena Field in Edmonton on Saturday, June 14.

Sarah Van Tighem placed in three events - first in 100m, second in 200m and first in shot with a new record of 10.32m. Sue Bell placed second in the 400m and first in the 800m with another new record of 2:33.6. Tammie Osborne placed second in both 100m and the 80m hurdles. Mike Byl, Jim Scheibelhofer, Maurice Chamberlain, Ron Bruinink, Sarah Van Tighem, Tammie Osborne, Sue Bell as well as Denise Young and Darcie Brenneis who are also

Six track and field athletes from St. Albert High came out of the Northern Alberta Track and Field Meet with berths to the provincial finals. Standing are Tammie Osborne, left, Sue Bell, John Kennedy and Coach Mr. Reinhold, with Darcie Brenneis, Denise Young and Sarah Van Tighem.

running in the relay at contender being north eastern with 185 points.

North Central Zone walked away with a grand total of 312 points with the nearest competitors involved and good luck at the provincials.

ST. ALBERT RECREATION REPORT

SUMMER PROGRAMS

In this week's issue of the Gazette, you will note that we have included a complete listing of recreation programs for this summer. For your convenience, we have placed these on the centre page so it can be tacked up on a wall or placed aside for future reference. Be sure to circle the deadline dates for registration so that activities which you are interested in do not go by forgotten. If you misplace your copy of the summer program, additional copies are available from the Parks and Recreation office as well as various business establishments around town.

ARTS & CRAFTS GUILD

On Tuesday, June 3, the Arts and Crafts Guild held their annual meeting with approximately 40-45 people in attendance. A new executive was elected for the upcoming year. Elected are Ian Hamilton, Don Mills, Tom Sware, Betty-Lou Kindelman and Carol Stanton. Past-President, Linda Mac-

Phie will also sit on the executive. Membership in the Guild is \$2 and new members are welcome.

SPRING FAIR '75

The new RCMP Century Senior Citizens Centre was the location of this year's Spring Fair sponsored by the Arts and Crafts Guild on June 8. The Spring Fair offered visitors an opportunity to view actual craft demonstrations as well as a chance to purchase some of the excellent finished crafts. From all indications, both sales and attendance were high and our compliments to the St. Albert Senior Citizens for their excellent co-operation.

ST. ALBERT INVITATIONAL RODEO SWIM MEET

The Grosvenor Pool was the centre of activity this past weekend as 140 competitors and as many spectators took in the Invitational Rodeo Swim Meet. The meet was part of this week's Kinsmen

Rodeo and featured a variety of fun competitions.

PROVINCIAL MUSEUM OF ALBERTA

This summer the Provincial Museum is offering a Sunday evening program of free films and concerts commencing at 7:30 p.m. Films include such comic greats as W. C. Fields, Charlie Chaplin and others. For further information contact the Provincial Museum at 452-2150.

The museum will also be offering demonstrations in various arts and crafts skills. These will be taking place every day from 1:30-3:30 p.m. Contact Olga Melnychuk at 452-2150 Ext. 249 for further information.

ST. ALBERT KINSMEN RODEO

June 8-June 15 is Rodeo Week in St. Albert with activities for all ages and interests. Be sure to check this week's edition of the Gazette for events information.

TENNIS COURTS

A court reservation system is being started to further your enjoyment and use of the Tennis Courts. It will operate as follows:

1) A numbered tag will be issued as a means of identification. You must have the tag in your possession at the courts to validate your reservation.

2) A tag holder may reserve a court for 1 hour, no more than twice during the following week.

3) Reservations may be made by calling the Parks and Recreation Department Office (459-6601) Wednesday evening from 6:30 p.m. until 8 p.m. Open times remaining may be reserved by calling the office during working hours.

4) Please give your tag number, court location and time(s) desired. A list of court reservations will be posted by noon Thursday at the courts.

ALBERT SUMMER GAMES

This year the Albert Summer Games will be held in Red Deer August 29, 30, 31 and September 1, 1975. In essence, the Summer Games provide an opportunity for amateur athletes from 13 to 80 to compete in a variety of events for fun and physical fitness.

Zone 5, is the designated area in which St. Albert athletes will be required to compete. Throughout the summer, we will be reporting on various items of interest concerning the Summer Games.

ZONE 5 CANOEING ORGANIZATIONAL MEETING

An organizational meeting for the Zone 5 Canoe Team that will compete in the Alberta Summer Games in Red Deer on August 31 and September 1 will be held in Stony Plain at the Parkland Regional Recreation Office, 4910-51 Avenue on June 11, 1975 at 7:30 p.m. Jim Andrews of 9956-79 Street, Edmonton (465-7464) will be coaching the team and all those from Zone 5 are invited to attend the meeting.

ZONE 5 DIVING, WATER SKIING AND LADIES GOLF EVENTS

The deadline for pool

representatives for the diving competitions for the zone championship is June 30. For further information contact our Aquatics Co-ordinator at 459-6601.

Wayne Kroeker, water skiing sports representative for the zone has scheduled the playoffs for June 28-29 at Wizard Lake, nine miles south of Calmar. He may be contacted at 458-1227.

Mrs. Marg Myrvold has indicated to us that the Ladies Golf playoffs are to be held Saturday, July 19 at the Fort Saskatchewan Golf Club. Tee-off time is 9 a.m., green fees \$2.00. Contact your local club for information as to club level tournaments prior to July 6.

Kryskow hockey school set for August in Morinville

The Dave Kryskow hockey school will be held from August 11 to August 30 in Morinville. Dave, who is now with the Detroit Red Wings has instructed hockey schools in St. Paul and Edmonton the past two years with Ken Brown and Bruce MacGregor.

The school is sponsored by the Central Sturgeon Agricultural Society, and will have three - one week - sessions. Age limits are from 7 to 18 years with limited classes for personalized instruction. Boys must provide all their own equipment. Two hours of ice time per day, and the boys will be grouped according to age, size and ability.

Tuition fees are only \$50. per session. This fee includes medical coverage for each boy per session.

Group lockers will also be supplied. All application forms and deposits must be in by June 24, 1975.

Instructors are Dave Kryskow of the Detroit Red Wings, Yvon Bilodeau of the Dayton Gems and Greg Joly of Washington Capitals, plus other W.H.A. and N.H.L. players.

Support this worthwhile venture, as it is a wonderful experience for any youngster who enjoys the game.

Students will be in the Central Sturgeon A.G. Summer Ice Camp from June 24 to August 30.

Basketball meeting to plan Olympics

Representatives of the Canadian Amateur Basketball Association from all the provinces and the two territories will be attending a national meeting in Calgary, hosted by the Alberta Basketball Association June 24-26.

The meeting will this year deal with the upcoming '76 Olympics and representatives of all university conferences, the Canadian Intercollegiate Athletic Union, the Canadian Federation of Public Schools' Athletic Association and the Officials' Association will also be present.

The C.A.B.A. is responsible for national team programs, senior men's, women's and junior men's national championships, as well as the assignment of officials for inter-provincial, national and inter-national competitions. The development program of basketball in Canada is headed by Canada's national team coach, and technical co-ordinator of basketball, Mr. Jack Donohue. The Western Canada Games will be held in Regina from August 10-18 when only men's basketball will be played and only under FBA rules. Coach of the 12-man Alberta team are Jack Kenyon and Gary Howard,

and practices are now being held every second week in Calgary.

Players who made the team are: Doug Baker, Edmonton; Tom Bishop, Calgary; Richard Foggy, Calgary; Ted Hellard, Cal-

gary; Dave Holland, Edmonton; Bill Lathrop, Calgary; John Laven, Calgary; Phil Leham, Lethbridge; Ian McKay, Calgary; Clark Sloan, Provost; Tim Tollestrep, Cardston; Wallace Tollestrep, Raymond.

Swingers plan tournament

The Sturgeon Valley Ladies Golf Club hope to get their opening tournament off the ground Saturday, June 14 at 4 p.m. (weather permitting). Rain and high winds forced cancellation of this event on May 24. Any members interested in taking part in this tournament are

asked to sign the list in Clubhouse.

Monday was the last day of the Marshall Cup competition, the "Swingers" scored 41 points.

Thirty-six ladies turned out for Ladies Day yesterday. Last week's winners were Betty Olesky and Helen

Hodgins.

Several members are planning to take part in the City Tournament June 17 - 19 at the Edmonton Country Club.

Students learn outdoor skills

Seventy students from Leo Nickerson School and 11 parent and teacher supervisors arrived back in St. Albert tired but happy on Friday, June 6. The group had just returned from a highly successful outdoor education trip to the Pioneer Camp at Sundre, Alberta.

While at the camp, the students took full advantage of the range of instruction available. This included swimming, horseriding, mountain climbing, archery and riflery.

All the students participated in an overnight outing. This involved setting out with their packs, securing

overnight shelter and eating supper and breakfast away from the Pioneer Camp area. Small groups participated in this outing over several evenings. The venture had been arranged by a parent, Captain Vischek of the C.A.F. and the school phys ed teacher, Mr. P. Pearn both of whom had been preparing students prior to the trip to Sundre.

Two parents, Capt. Vischek and Mr. R. Sanders, a pilot, took care of the orienteering program.

All in all, the trip was a tremendous success and everyone concerned learned a great deal.

AROUND TOWN

John Kambouroff was having a little trouble keep-

ing up with all the rodeo Sunday action at Lions Park. Following a knee operation he was on crutches, a development he expects will keep him off work for about six weeks. Looks like a good opportunity to nail him down girls.

*** ** ***
In connection with the Centennial Year being celebrated by the Presbyterian Church in Canada, the congregation of Braeside Presbyterian Church joined in a nation-wide television service on Sunday. Two sets were set up in the church so the worshippers could join in the special service originating from St. Andrews Presbyterian Church in Ottawa, a CBC production in its Weekly Meeting Place series. At the local level the Braeside Church plans a Centennial service in October, patterned after the services held in Canada in 1875, the year the church was established in this country.

fun vacations start at your credit union

Enjoy your vacation this year - free from financial worry! The money to take you on your "dream" holiday is waiting at St. Albert Credit Union.

Is this your year to visit Europe or Hawaii? Perhaps Mexico or the South Seas is more your style.

Even if you prefer to stay closer to home, we can help you. Loans are available for all types of recreation vehicles too, like campers, trailers, motor homes and boats.

Drop in and talk over the details with us - then have a "fun" vacation!

Sturgeon kids grab chance to publicize Rec Fest

Kids from Kindergarten to Grade Six in Sturgeon schools have been having a great time recently.

Literally thousands of them got the chance to help publicize the 1975 Sturgeon Rec Fest in a fun way by designing posters with a Rec Fest theme and colouring in pictures of the Rec Fest Tiger.

The results of their work have been displayed in many stores throughout the Sturgeon area getting the public geared up to take in the

festival last weekend.

The kids really set their imaginations to work; one memorable poster with a monkey swinging from bough to bough had the caption, "have a swinging time at the Sturgeon Rec Fest." In another a cowboy used a less subtle form of persuasion - a gun - to get people out to the Rec Fest.

Although the whole staff at the Sturgeon Regional Recreation office in Morinville can be commended for the

hard work they put in to advertise the Fest and the action packed program, one staff member perhaps deserves special mention. (There's a lot of work involved in organizing a Rec Fest).

Student of Recreation Administration at the University of Alberta, 21 year old Janet Sherstabetoff was brought in specially May 1 by Sturgeon Rec. To head up the poster-publicity campaign. She seems to have enjoyed every minute of it, though found that it was hard going on some of the roads, particularly out near Calahoo.

Two thousand three hundred colouring contest forms were sent out to Sturgeon schools and the same amount were returned. Janet took many of the top posters back out to the country stores so that the Rec Fest would get top publicity. She was hired to work with Sturgeon Regional Recreation under Summer Employment for Phys. Ed and Recreation Students.

Prize winners in the poster and colouring contest were on display throughout Rec Fest and following is a list of the winners.

COLOURING CONTEST

Grade 6 - Sharon Bokenfohr, Morinville) Jasen Swist St. Albert and Karen Reddekop, Gibbons, (tied second place); Karen Giesko, Edmonton.

Grade 5 - Shelia Patrick, Calahoo, Cassie Keown, Bon Accord, Kerri, Shandro, Naimao.

Grade 4 - John Tachinski, Edmonton, Tracy Pederson, Bon Accord, Sharon Kleser, Morinville.

Grade 3 - Neil Bokenfohr, Morinville, Susanne Chauvet, Legal, Richard Mulligan, Morinville.

Grade 2 - Jodi Simmonds, St. Albert, Lynn Rains, Gibbons, Karen McEae, Legal.

Grade 1 - Jamie Frank, Legal, Richard Tremblay,

Legal; Lynn Dupuis, Legal.

KINDERGARTEN

Nicky Mansfield, Bon Accord, Stacy Danack, Bon Accord, Shauna Lee Poppe, Bon Accord.

Following are the results of the Poster Contest.

Grade 2 - Gordon MacDonald, Bon Accord.

Grade 3 - Allan A. Voth, Edmonton; ties first place with Lee Down of Gibbons; Judy Litz, Morinville.

Grade 4 - Cameron Black, Naimao in first place tie with Maureen Krauskopf of Morinville; Sandra Gonek, Alcomdale, in second place tie with Gwen Fredsburg, Legal; Patsy Wreagitt, Gibbons.

Grade 5 - Karen Wojtkiw, Morinville, John Cushman and Nicky Golden both of Legal; Diane Dube, Legal.

Grade 6 - Shelley Sharp, Legal, tied for first place with David Lsoyshan, Bon Accord, Carl Vroom, Bon Accord, Christine Frank, Legal.

QUALITY FARM EQUIPMENT**

EXTRA HEAVY DUTY WING-TYPE

FIELD CULTIVATOR

Specially Designed To Harness Modern Big Tractor Horsepower

Proven to be the best performing large field cultivator on the market today. Rugged frame and high trip live spring shanks make this the toughest field cultivator ever.

WIL-RICH SHANK ASSEMBLIES ARE BUILT TO LAST AND DO A BETTER JOB YEAR AFTER YEAR!

- Heavy steel (5/16" and 3/8") all welded construction. ● High 18" clearance trip to clear large obstacles. ● Heavy 9/16" thick by 1 1/4" heat treated spring shank. ● Extra wide 3/4" pivot tube to reduce wear and shank side play. ● Heavy grade 8, 3/4" pivot bolt on main shank pivot to eliminate breakage and reduce wear. ● Clean design for better trash clearance. ● Complete box-welded shank holder to hold the shank firmly and prevent loss or breakage. ● Adjustable expansion springs with cast end-plugs give live spring action and longer life. ● 7/16" bolts used on cultivator shoves.

N.B. 9" SWEEPS, 7" SPACING

No other field cultivator can compare with the many advance design features of Wil-Rich Field Cultivators.

Sturgeon Rec Fest a colourful affair

Not everyone went to the Sturgeon Rec Fest 75 at Namao, June 7 and 9 - but a heck of a lot did.

Namao was the ideal place to spend a leisurely weekend as the Namao school bustled with people taking in the crafts display - contributed by many Sturgeon residents. And outside for those who liked man's four legged friend the horse, there was plenty to see. Saturday there was a well attended "fun" gymkhana put on by the Namao Gymkhana Club and

this was followed Sunday by a horse show which according to one reliable source was twice as big as last year's. (See separate item on horse show results).

Overall total high points winners at the gymkhana which saw riders performing the intricate moves of pole bending, flag picking and barrel racing were:

Eleven years and under, Lori Porter, 12 - 15 age group, Margaret Forest, adult, Vance Johnner, all from

the Namao district.

The weather for the Recreation Festival weekend was a little on the cool side with the odd heavy shower. In fact when the gymkhana was just getting underway, some ominous clouds swept down from the north and it looked as though things might become a "washout."

However the sun refused to be beaten and by Sunday the crowds were really showing up at Namao.

Even if the worst had happened (heavy rain) there was plenty to see in the Namao School Gym.

There were displays and demonstrations of handier arts from communities right across the Sturgeon area. And Superintendent of Regional Recreation Laurent

Coulombe did a fine job of overseeing the activities from the school gym stage. From 2:30 p.m. to 5:30 p.m., both Saturday and Sunday the Frontier Dollies from Morinville kept the crowds happy with their neat Klondike girl dancing and they really went one over the eight when they came out dressed in their straw "houla" costumes making everyone wish they were in Hawaii. One or two of the lads looked a little doubtful as they gawped at the beautiful female forms, but they gazed in reluctant admiration just the same.

Tots of the Marion Nicholson Dancers from Bon Accord and Gibbons also delighted the audience with their antics as well as the junior and senior sections of

the Coronado Ukrainian Dancers.

The special presentations on the Namao school gym ended both days with a display of karate chops and groans and passes, but no one seemed to really get hurt.

In case they did the St. John's Ambulance Emergency First Aid force was at the ready from Bon Accord.

FEATURE FILM PRESENTATION

For movie goers whose tots got a little restless with crafts, and some rather weird fitness testing instruments to let you see just how unfit you were from the Fitness Branch of the Department of Recreation Parks and Wildlife - you could take time off for a couple of films.

They were in the East wing of the Namao School featuring Sammy the Way Out Seal and Sinbad the Sailor.

And senior citizens were not to be outdone either. The Namao Plus 60 Club were firmly settled in the Namao Community Hall hosting bridge, cribbage, shuffleboard and pool for those who felt like it. There was also a film presentation of Sturgeon Senior Citizens activities.

And again back to the horses, highlight of the horse show Sunday at the Namao Gymkhana grounds was a display by the Klondike Mounted Square Dancers - reminiscent of the RCMP musical ride.

THE CORONADO KIDS - these youngsters provided some excellent Ukrainian dancing at the Sturgeon Rec Fest in the junior section. From left are: Kim Lasell, S, Katherine Huisling, 7 and Bonnie Lasell also 7. A pity you can't see the gay colours of the costumes.

VIMY NEWS

By Darlene Provencal

Over the May weekend, Mr. and Mrs. Francois Landry were pleased to have Lucienne from Falher, and Marcel, Jane and family from St. Paul, visit with them.

Congratulations to Jean-Paul Blanchette, son of Mr. and Mrs. Leon B. Blanchette, upon his recent engagement to Miss Gloria Gott of Clyde.

The streets in Vimy are a site for sore eyes these days, but the inconvenience will soon be worth it. Work on our sewer project has once again gotten underway after the winter delay. More than half the homes to date have had their yards ripped up for connection purposes. Another week, weather permitting,

and the system should be about ready for a trial run. All the citizens are waiting anxiously for this plastic type system to be a success in order to eliminate a sewage problem we've had in our community for so many years.

John and Clemence Dussault flew down on May 16 to Kingston, Ontario to attend the graduation ceremony of their son, Lieutenant Roland Dussault, from the Royal Military College of Canada with a bachelor of engineering degree in the Canadian Armed Forces. John's sister, Arma, her husband, Leo Toupin, came for the graduation from Jeffersonville, Indiana. Clemence motored back to Jeffersonville with them to

spend about four days while John returned home to his field work. Clemence then flew to Stony Point, Ont., where she spent another two days visiting relatives before returning home. Rolly returned home from Kingston by motor-bike, visiting with many friends along the way. He is spending a few days here with the family before going to Chilliwack, B.C., for a summer program. Congratulations Roland on a very fine endeavour.

Happy birthday wishes are being sent to Mr. Francois Landry, who celebrated his 79th birthday on May 28. He was very pleased to receive cards and phone calls from all his children, especially since they couldn't be here with him for the occasion.

Jack and Jeanette Burns decided to take a few weeks holiday and left on Tuesday,

motoring to Prince George to visit their son, Bill and family.

Violet Lachance and Margaret Bileau left by bus on May 28 for a chartered trip to Disneyland, returning on June 10. Have a good time.

Alphonse, Rachel and family recently purchased and have moved into their new residence, formerly the convent. The Filles de Jesus sisters have retired to Edmonton.

The Vimy Blues baseball club played their first league game on Wednesday against Morinville, losing 6-1. They played another game on Friday against Westlock, in Westlock, and once again lost by a score of 2-1.

Mr. and Mrs. Alphonse Bileau were very pleased to have Mgr. Alfred Roy,

(first cousin to Mrs. Bileau) from Denver, Colorado, spend several days with them last week. Margaret was just released from the Westlock hospital prior to his visit, after having to spend a month there. Hope you're feeling much better now.

Eugene and Gaby Bayduza and family left this week for a two week holiday to Vancouver and Victoria. They also plan to visit with Gaby's sister in Vancouver.

Congratulations to Mr. and Mrs. Gabriel Caouette, who celebrated their 45th wedding anniversary on June 2. To commemorate the event, their children, Ernie Caouette and family, Ed Caouette and family and Mary Ann Sabourin and family took them out for a banquet supper at the Westlock Inn on Sunday, June 1. When they returned home, a surprise party had been organized with many relatives attending. The children presented the happy couple with a lovely bouquet of red roses.

Bob Burns is now the proud owner of a 1975 Ford XLT Ranger pickup. Also, driving a new set of wheels this week is Roger Sabourin. He purchased a 1975 Ford, crew cab, 3/4 ton, and he claims that all he went in to Westlock for was some paint. WOW, and men claim that women shoppers are sometimes erratic!

Mr. and Mrs. Gabriel Caouette left on June 5, motoring to Vancouver for a week. While there, they will be attending his brother, Mr. and Mrs. Aime Caouette's Golden Wedding Anniversary.

Mr. Emelda LaVassaur and Sr. Anne LaVassaur, both from Coldbrook, New Hampshire, are visiting with Mr. and Mrs. Leon Huot this week. They are an aunt and a cousin to Leon. This weekend, a family reunion will be held in Athabasca with Fr. LaVassaur. The visitors are his aunt and cousin as well. Have a good time.

A farewell tea will be held in our community hall on Sunday, June 22, at 8 p.m., honouring the Filles de Jesus sisters who have been in our community for 31 years. The sisters have retired to Edmonton and we are very sorry to see them go. Mark your calendars and plan to attend.

The Vimy Blues were in action again this week. On Sunday they played Linara and won 3-2. Then on Wednesday they met with Bon Accord and lost this game 2-1.

Some adorable little puppies are looking for a home. They are two months old, and will never grow big. For more information call 961-2170.

SOME OF THE RIDERS at the Namoo Gymkhana were pretty small - five year old Tammy Gordichuk on Sheldand pony Toby qualifies well for this category as she takes in the action.

Gibbons Spring Fair a credit to village

By Sheila Cronble
The Gibbons Agri Spring Fair 75 was a grand affair over June 7 and 8 at the Gibbons Arena.

As one entered the lobby of the arena, an eye-catching "Welcome to Gibbons Agri Spring Fair" showed up beautifully on the north wall. This was the work of Doreen Minchau and a sincere "Thank you" should go to her.

Starting at the east side of the arena ice surface - first were five beautiful paintings displayed. These were the work of Reg. Austin's mother.

Next came the "Culinary Arts" and "Home Crafts". These included home baking and canning, sewing, crochet and knitted articles, embroidery, quilts and baskets.

There was a display by the Gibbons Sunday School which has been in continuous operation since 1927. There were pictures of classes from 1956 to date. Honour Rolls, pictures coloured by some of the children. Also displayed was a large pulpit Bible

presented by Jack Brumfit. Instruction books and copies of books from which the music is selected.

Next was a display of wall hangings picturing nursery rhymes, followed by some very nice art painting. School (Gibbons) art display was very interesting with some very unusual subject matter.

Gibbons 4H Sew and Sews had an eye-catching display of finished articles, record books and many individual prizes.

Next was an autograph quilt made by the Ladies Aid of Gibbons many years ago. This quilt is still in perfect condition and the embroidered names quite legible. It had been auctioned and purchased by Clara Williams who still owns it.

There was a good display of quilts and other articles made for Unitarian Service. Gibbons contributes much to this organization through the work of Emily Olive and Aureole Lamoureux. Senior citizens have helped with "Quilting Bees."

Senior citizens had a large display of oldtime clothing and other articles, a family bible, camera and numerous Heritage quilts. Thanks and appreciation must go to Clara Williams for assembling these articles and being such a good hostess at the display.

Anne Wronko had a display of her paintings which were unusual and well done. These paintings were for sale.

Sturgeon Valley 4H Dairy Club had an interesting display. Anyone wishing for information had only to ask those manning the booth. Louis Elzingas had purebred holsteins on display - a cow and yearling.

"Ye Olde Homestead" which was set up by Wilfred Shaw, was a really worthwhile project for anyone to view. It certainly attracted the children too. Included in the inhabitants were guinea fowl, young turkeys, rabbits large and small, bantams, ducks, geese, sheep, goats and piglets.

There was one kiddies ride at the north end of the arena.

TERRI FROST - HUNT, nine of Gibbons takes time off at the Gibbons Agri Fair 75 to feed one of the rabbits on display at the arena where the visitor could take in agricultural and handicraft shows last Saturday and Sunday.

In the centre were displays by Alberta Social Service and Community Health; Ez-Clean Equipment and Liquid Painting by Tania White; Alberta Wheat Pools display. On the southwest corner the Anglican Church W.A.

had a lot going for them. There had been a large bake table but most of the baking had long since disappeared. There were also bedding plants and a Flea Market. Alf Mabbitt had a "patio living" display. Wooden

chairs and picnic tables of different sizes including one for the small fry. They are well made and reasonably priced.

Note: Prizes for baking and handicrafts, results in next week's Gazette.

GIBBONS NEWS

By Shirley Steinwand GIBBONS SUNDAY SCHOOL

On June 3 the Sunday School Circle entertained at a shower honouring Susie Allison, bride elect of June 28. Eileen Stirtor, president, welcomed the 30 guests and thanked them for attending. Seated with Susie at the bride's table were her sister Cindy Williams, Shelly De-

rioun and Jackie Rigney. As each gift was given to Susie, she made a wish for the donor. Some of these caused fun and laughter. Susie received many lovely and useful gifts. She thanked everyone and invited them to her wedding dance which will be held in the Gibbons Community Hall the evening of June 28.

The Sunday School Circle served a delicious lunch to bring a pleasant evening to a close.

Sunday School students are reminded of the annual picnic which will be held on June 15. Classes will meet as usual at 10 a.m.

After classes everyone will go to the picnic area at Bill and Della Gibbons farm. Parents are most welcome to attend the picnic.

TUES. JUNE 17 - Westlock at Bon Accord; Legal at Linaria; Morinville at Linaria.

THANK YOU

We would like to take this opportunity to thank all the people that planned and attended our farewell party held April 19 in the Gibbons Hall.

Your thoughtfulness was very much appreciated.

Our grand opening will be held July 10, 11 with a wind-up on the 12th. You are all most welcome to attend then or any time. Hope to see you then, and thanks again.

Don and Shirley Rurak.

A meeting for parents of Cubs and Scouts was held on Tuesday, June 3. The new executive for 1975-76 are: President - Wayne Reap; Vice-President - Pat Walmsey; Secretary - Shirley Olson; Treasurer - Liz Rains. A registration meeting will be held on Sept. 9 at 8 p.m., in the Gibbons Community Hall. Parents **MUST** register their sons. Please keep this in mind for next fall.

This will be the only time boys may register.

A picnic table will be raffled by the parents to help pay registration in the fall.

The executive of the 1974-75 term would like to take this opportunity to thank the Cub master, Jim Nault, and Scout master, Gary Cuthbert for their work with the Cubs and Scouts this year.

Both of these men worked all year with very little assistance.

A reminder that they can not carry on next fall without at least one assistant each. Please parents, consider helping next year.

Thanks to all the parents, especially those who helped in all ways so faithfully, and to the Lions Club for their donation for winners for the donor roast for Clean-Up Week.

The Cubs will be attending a Cub Camp at Coronado Church on June 13 - 14 and 15 as their wind-up.

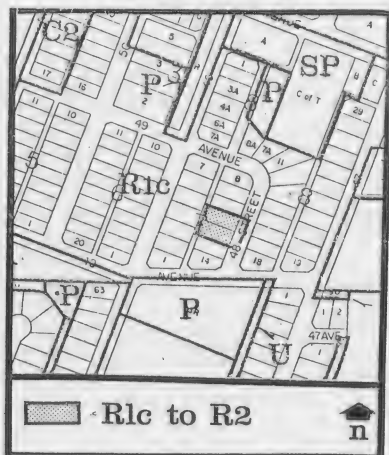

NOTICE OF PUBLIC HEARING

The Council of the Village of Gibbons having been given authority under Section 119 of the Planning Act, R.S.A. 1970, as amended, to control development within the boundaries of the Village of Gibbons by zoning, will hold a public hearing.

The purpose of this Bylaw is as follows:

That the Zoning Map attached to and forming part of the Zoning Bylaw of the Village of Gibbons be amended by zoning:

Lots 11 and 12, Block 7, Plan 828 R.S. Village of Gibbons From R1C to R2

RESIDENTIAL — COMMERCIAL FARMS — ACREAGES

LIST NOW AND BE SURE OF A SALE!!

SEE OUR COMPLETE SELECTION OF FARMS AND ACREAGES

The proposed Bylaw may be examined between the hours of 9:00 a.m. and 5:30 p.m. of the office of the Secretary-Treasurer of the Village of Gibbons.

The Public Hearing, if necessary, will be held in the Village office on the 23rd day of June, 1975 at 8:30 p.m.

Written objections to the proposed Bylaw will be received by the Secretary-Treasurer at her office until 12:00 p.m. on the 23rd day of June, 1975. Objections shall be submitted in writing prior to the meeting. Those written objections which have been received before the designated time will be discussed at the meeting before further presentations will be recognized.

Maile Metruunc, Secretary-Treasurer.

MORINVILLE MEMOS

By Marg Bantz

The Morinville Drum and Bugle Band would like to thank all the people who sponsored the marchers in their March for Music on June 1. A special thanks to the parents who helped by giving up a beautiful Sunday afternoon to help the girls raise money; also to those who are not members of the band, and generously walked miles for us.

On May 25, Irma Bulger returned home from Lahar, Germany where she met her husband John, who has been in Egypt since January 21, 1975. Mr. Bulger will be finished his U.N. tour in Egypt on July 28, 1975.

Deadline for registrations for the Dave Kryskow Hockey School has been changed to June 24.

Ladies your help is needed.

ed! There is a desperate need for workers to make cabbage rolls and pyrogys for Frontier Days on June 12 at 8:30 a.m. Cabbage rolls will be made at the Recreation Centre. Pyrogys will be made on June 19 at 8:30 a.m., at the Recreation Centre. Come on out and give your support to your community.

FOSTER PARENTS BANQUET

Annual Citation Banquet for the Edmonton and District Foster Parents will be held in Morinville this year as a gesture of support for the newly formed Sturgeon Foster Parents Association. Banquet is sponsored jointly by the Department of Social Service and Community Health and the Edmonton and District Foster Parents Association. This will be held on Tuesday, June 17 at the Recreation Centre. Ninety-six people will be receiving citations. For more information contact Denis Chalfoux (Foster Care Supervisor for Edmonton and District) 939-4414.

Nominations for the "Citizen of the Year" are being received by Garnet Wiley and Art Stapleton. Deadline is June 16.

The Legion's new acting president is former vice-president Tom Houle. Tom will preside in this position until the next election in November.

The Father's Day Breakfast will be held on June 15 after the 9 a.m. and 10:30 a.m. masses. Bring your dad's out and treat "them" to a free breakfast.

FRONTIER DAZE

If St. Albert has their

rodeo as planned and draws the rain as usual, Morinville is assured (?) of fine weather and large crowds for our annual Frontier Daze (June 21 and 22).

In order for us to have a truly first class fair many hands are needed, and as each of us is provided with but two we must therefore band together to do the necessary work. If you are approached to help in any way, please do, if you are not asked it is not because you are not wanted or needed, so please volunteer. Remember - if a lot do, none will have to do a lot. Frontier Daze committee members are - Denise Houle, Jean Robinson, Flo McGinnis, Gary Smith and Norm Chalfoux.

Farmer's Market is still looking for sellers (cream, honey, eggs, plants etc.). Call Ed Kryskow 939-4243 or Doug Ramer 939-4565. Don't forget this starts at 10 a.m., every Saturday at the arena.

Readers co-operation in telephoning or bringing news items is much appreciated, and as early in the week as possible. Please phone 939-4145, or drop off at 9901 - 99 Avenue.

STUDENTS DO ORIENTAL PLAY

An oriental play "The Princess and the Fisherman" was presented for the mothers of the Grade 3 English class at Notre Dame Elementary School on Friday, May 9. Music from Beethoven, Tchaikovsky and the "Mikado" set the mood for the play, which was delightfully performed. The reader was Miss Joanne Little.

Tea was served following the play by Mrs. Johnson, Mrs. West, Mrs. Enright and Mrs. Phillips. During the tea, organ music was provided by Brad West, Raelene Sutley and Rhonda Overholt.

GIRL'S SOFTBALL TOURNAMENT

The MD of Sturgeon Minor Softball League will sponsor a girl's ball tournament this Saturday and Sunday (June 14 and 15). The entire tournament will be held in Morinville. Thirty teams will complete in five different age categories. Game times are as follows:

Eight and Under - Saturday, June 14 - Bon Accord vs Gibbons Spikes - 12; Horse Hills vs Gibbons Tigers - 12. Finals - 2 p.m.

Ten and Under - Saturday, June 14 - Morinville vs Calahoo - 10 a.m.; Riviere Qui Barre vs Bon Accord - 10 a.m.; Horse Hills vs Gibbons - 10 a.m.; Semi-finals - 2 p.m. Finals - 4 p.m.

Twelve and Under - Saturday, June 14 - A. Morinville vs Legal - 10 a.m.; B. Riviere Qui Barre vs Calahoo - 12 noon; C. Bon Accord vs Horse Hills - 12 noon; Gibbons vs. Winner C - 2 p.m.; Winner A vs Winner B - 2 p.m. Finals - 4 p.m.

Fourteen and under - Sunday, June 15 - Bon Accord vs Sturgeon Valley - 10 a.m.; Gibbons vs. Legal - 10 a.m.; Morinville vs Villeneuve - 10 a.m.; Horse Hills vs Riviere Qui Barre - 10 a.m.; Semi-finals - 12 noon. Finals - 3 p.m.

Eighteen and Under - A. Gibbons vs Sturgeon Valley - 12 noon; B. Villeneuve vs Bon Accord - 12 noon; Semi-final against Riviere Qui Barre - 2 p.m. Final - 4 p.m.

MINOR LEAGUE BALL

Ed Kryskow's Beavers

were nipped 16 - 15 by Calahoo on Friday, June 6. Their last home game is to be played tonight (June 11) at 7 p.m., and their last league game will be Friday, June 13 at Villeneuve.

Leo Lalonde's Wildcats had their claws clipped 12 - 7 by Riviere Qui Barre last Wednesday and Friday, June 6 saw them take a 27 - 17 home games are at 7 p.m. tonight against Morinville Cougars and Friday night against Calahoo.

Lets hope the Friday the 13th jinx is not extended to either of these teams. The best way to prevent this is by attending these boy's games

There will be a general baseball meeting on June 12 at 8 p.m., at the Cunningham School to establish league standings and playoff schedules. All coaches are requested to please attend.

Morinville Kindergarten meeting will be held on June 25 at the Recreation Centre at 7:30 p.m.

ACTION IN the stakes event at the Namao "Fun" Gymkhana last Saturday.

NOTICE OF PUBLIC HEARING

The Council of the Town of Morinville having been given authority under Section 119 of the Planning Act, R.S.A. 1970, as amended, to control development within the boundaries of the Town of Morinville by zoning, will hold a public hearing.

The purpose of this Bylaw is as follows:

That the Zoning Map attached to and forming part of the Zoning Bylaw of the Town of Morinville be amended by zoning:

Lots 1, 2, 3, 4, 5, Block 3 Plan V111 A from Commercial C2 to Commercial C1.

The proposed Bylaw may be examined between the hours of 9:00 a.m. and 5:00 p.m. at the office of the Municipal Administrator of the Town of Morinville.

The Public Hearing, if necessary, will be held in the Town office on the 24th day of June 1975 at 8:00 p.m.

Written objections to the proposed Bylaw will be received by the Municipal Administrator at his office until 5:00 p.m. on the 24th day of June, 1975. Objections shall be submitted in writing prior to the meeting. Those written objections which have been received before the designated time will be discussed at the meeting before further presentations will be recognized.

Paul E. Brochu, Municipal Administrator.

Legal couple wed at St. Emile's

By Lucienne Montpetit

St. Emile's Catholic Church was the scene of a lovely spring wedding on May 3 when Paulette Clouthier exchanged marriage vows with James Hunting. Paulette is the youngest daughter of Mr. and Mrs. Paul Clouthier and James is the youngest son of Mr. and Mrs. Richard Hunting.

Father Roland Bissonnette celebrated the nuptial mass before an altar banked with baskets of spring flowers.

Elaine Blodeau presided at the organ with Lucienne and Pat Montpetit singing several appropriate selections for the ceremony.

Given in marriage by her

father the bride was radiant in her white floor length gown of silk organza over satin. Her cape collar and sleeves were edged with a dainty lace. The A-line skirt fell gently into a train.

Her long illusion veil trimmed with matching lace, and attached to a picture hat. Her only jewellery was a delicate gold chain, gift from the groom. She carried a bouquet of spring flowers.

Matrons of honor Marie Charrois, sister of the bride, Susan Chailfoux, sister of the groom and bridesmaid Jocelyne Chamberland, friend, chose identical gowns of green flowered sheer over

taffeta trimmed with white lace, complimented by white floppy hats and short lace gloves. They carried baskets of white daisies.

Peite Nicole Clouthier (niece) was flowergirl, accompanied by Rene Clouthier (nephew) as ring bearer. Their attires were identical to the bridesmaid and the attendants.

The groom and his attendants wore black tuxedos with white frilled shirts and black bowties.

Ushering the guests were Terry Beaudry and Norman Belley.

Following the ceremony a reception and dance was held

at the Community Hall. Terry Beaudry was master of ceremonies and Ken Hunting presented the toast to the bride.

To receive her guests Mrs. Clouthier chose a gown of coral pompadour satin trimmed with white lace and white roses on corsage.

Mrs. Hunting wore a mauve floral print sheer gown with white accessories complimented by a corsage of yellow roses.

Out of town guests came from Edmonton, Winterburn, Plamondon, Fort McMurray and Regina, Saskatchewan.

Jim and Paulette are making their home in Legal.

MR. & MRS. JAMES HUNTING

Legal Locals

By Lucienne Montpetit

The senior members at the Chateau were happy to entertain some 35 senior citizens from the Westlock Home last Wednesday. The guests arrived after lunch to spend a pleasant afternoon visiting, singing, and Mr. Andre Pelletier delighted

everyone with a variety of violin selections. His lively music prompted some to dance. The staff treated the citizens with a delicious lunch.

A number of the guests requested to tour the Club 60 Roses. Mrs. Lucia Montpetit gladly escorted the group to

visit their club. They were very impressed with building and all the facilities available.

Expressions of sympathy are extended to Leon Brisson and family upon the loss of his grandfather Mr. Ouellette who passed away last week in Edmonton. Mr. Ouellette was a resident of the Chateau for a long time. Funeral services were held in McLennan.

The Legal First Company will be going to Gibbons on June 14 for a one day camp. They will be leaving from Mrs. Dube's residence at 8:30 p.m. to return the same evening at 8:30 p.m. Have a good outing girls!

Mr. Arthur Morin, Deputy Mayor and his wife, Maurice and Agnes Montpetit, secretary of the village attended the Municipal Administration Refresher course in Banff last week. Richard and Irene Maurier also joined them for a brief holiday.

Mr. and Mrs. Jos L'Heureux went on a two week Fun Tour to California and Mexico to return home last Saturday. They both thoroughly enjoyed their holiday.

Mr. and Mrs. Leo Maurier have moved their house from Legal Corner on their lot in the village south of the Rec. Centre.

Legal Brownies enjoy camp

By Lucienne Montpetit

With the co-operation of the weathers the Brownie Camp was most successful. The 24 Brownies registered at 4 p.m. on May 30 under the supervision of the Legal Commissioner Jeanne Maurier to return home at 3 p.m. on June 1. The girls

were kept busy with a variety of activities including crafts which they were proud to bring home, a log, a happy face and flowers.

Sincere thanks to Remi and Lynne Prefontaine who took time off from their busy field work in order to take the Brownies, Guides and leaders for a hay ride on the farm for their wind-up wiener roast.

The leaders and the girls really had an exciting time. Every meal was cooked by different parents. Special thanks to all of them for their co-operation.

Sunday morning they walked to church as a group and they were thrilled that Father Bissonnette recognized them during mass.

To everyone who helped in anyway to make the camp such fulfilled days for the girls. Thank You!

Nonagenarian celebrates anniversary

Mrs. Theona Marie Larose recently celebrated her 90th anniversary surrounded by 11 of her children and several grandchildren.

Out of town grandchildren and great grandchildren were Mr. and Mrs. Raymond Muller and family, Mr. Aurore Landreville of Edmonton, Mr. and Mrs. Roger Bourassa of Edmonton, Mr. and Mrs. Harvey Masse of Gibbons, Mrs. Della Piquette of Edmonton, Fernand Gibbeau and family, Jos. Bouvier and family all of Edmonton.

Mrs. Larose arrived west from Quebec in 1905, took residence at Legal for a few years, consequently took a homestead between Westlock and Picardville, improved the homestead, sold the land and came back to Legal, where there were better schools.

The family lived on a farm 2 1/2 miles south of Legal. Mrs. Larose retired in 1950 and now enjoys good health and pleasant surroundings at the Sturgeon Foundation at Legal.

Teachers hope to avoid strike action

Over one thousand students could be affected if teachers in the Thibault Separate School District #35 take strike action to back up

pay demands June 11. Schools affected would be the Georges P. Vanier School and the Notre Dame Elementary in Morinville with

34 teachers on staff, also St. Anthony's School in the Drayton Valley RCSSD #111 with 16 teachers involved in possible strike action.

A spokesman for the Thibault School District said Monday that every attempt was being made to avert the strike.

Mediation efforts will continue to avert the June 11 strike and the North Central (West) School Authorities Association which includes

the Thibault and Drayton Valley School Districts met June 10 at the Parkland County offices in Stony Plain in an attempt to solve the dispute.

A release from the Thibault School Board Monday said that it wished to assure all ratepayers and students that "procedures are being developed to insure that students will receive credit for their years work."

Teachers employed by the NCSAA boards had voted in favour of strike action following the rejection of a conciliation board award by their trustees.

The award would have given first year teachers a basic scale up to \$18,000 a year and this offer had been accepted by the teachers.

Teachers in the NCSAA are trying all means short of strike action to get treatment equal to that given to teachers in neighbouring areas like Sturgeon, Yellowhead, St. Albert #3 and #6, Strathcona, Edmonton Public, Edmonton Separate, Northlands and Sherwood Park Separate.

Bernice Ida Montpetit, daughter of Mr. and Mrs. Robert Mercier of Legal received a Bachelor of Degree in Pharmacy at the University of Alberta, having completed her fourth year with "First Class Standing." Bernice was a graduate of Legal High School in 1971. She married Martin Montpetit in 1973 and is presently employed in the Pharmacy Department of the Royal Alex Hospital. Congratulations Bernice and Best Wishes in your chosen career.

Sturgeon 4H

Sturgeon 4H Club are expecting to host a delegation of 40 from the Lethbridge 4H Club July 13 - 19.

This is on an exchange basis following an earlier visit of the Sturgeon Club to Lethbridge. The meeting of the clubs will be marked with family get-togethers, baseball games, musical entertainment from local radio stations and also live musical entertainment. The Lethbridge delegation will meet their Sturgeon counterparts at the Morinville Municipal Office - 5 p.m. July 13.

ALBERTA 4H BEEF SEMINAR

The first Alberta Beef Seminar at Olds Agricultural College July 1 - 6 will be open to experienced members of the Sturgeon 4H Club of 16 and over, and this applies across the province.

Special pot luck supper well attended

By Lucienne Montpetit

The father-mother and daughter pot luck supper for the Guides and Brownies was held on May 28 at the Community Hall with a large number of parents in attendance.

Chairman Irene Maurier called upon Father Biss-onnette to say Grace. Following the delicious meal Irene called upon Marcel Dube, chairman of the Rec. Board to say a word.

Marcel brought greetings on behalf of the Recreation Board and wished the girls continued success. He commented that he had seen the girls in action at several campouts. He added we have some wonderful girls growing up to be fine leaders of tomorrow.

Mrs. Kathy Brown, division commissioner guest, was introduced, she thanked the Local for their invitation and said she was always delighted to attend such functions. She was presented with a souvenir, to remember her visit in our community.

Each girl was asked to introduce her parents and all did it proudly.

Dorothy de Champlain (secretary) presented a silver charm to Gaetane Champagne and Lucienne Montpetit as past members on the local executive.

The Commissioner, Jeanne Maurier, the leaders and the helpers received tokens of appreciation from the Mother's Local, the Guides and Brownies for all their time, effort and work done with the girls during the year.

Agnes Montpetit (sec.-

treas.) thanked Mrs. Eva Theberge and Mrs. Luella Champagne for their devotion in helping to serve and prepare the meal. Agnes

presented them with a silver coffee spoon in appreciation. Guides, Susan Maurier and Sharon Dube received pins for helping out with the

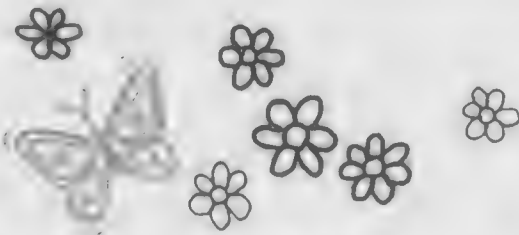

Brownies.

After the presentations the Brownies and Guides had their ceremony. Flying up to Guides were Lorraine Van de

Walle, Cheryl St. Martin, Denise Maurier and Diane Dube.

Irene Maurier told the parents that the Mother's

Local executive will continue for one more term in office. She also thanked the leaders and the mothers for their co-operation during the year.

Sturgeon Regional Recreation Report

There will be a Defensive Driving Course in Morinville starting Monday, June 16 at 7:30 p.m., in the Sturgeon Regional Recreation office. The course will run for two weeks and the cost is \$8.00. To register phone Sturgeon Regional Recreation office at 939-4317.

STURGEON SUMMER CAMP!

The Sturgeon Regional Recreation Board is holding its summer camp program again this year. The object of this program is to increase and offer the children new experiences in camping as

well as teach them new skills such as outdoor cooking, use of a compass, shelter building, canoeing, and basic survival. Also the campers will meet new people and make new friends. Hopefully the campers will gain a new understanding and respect for themselves, other people and the out of doors. This is to be a learning as well as "fun" experience.

The camp program starts July 7 and ends August 28. Each group of campers will leave by bus from Cunningham School in Morinville at 9 a.m. Monday mornings and return 9 p.m. Thursday evenings. Registration forms have been out since the last week in May and will be accepted on a first come first serve basis during this week and the first one in June. The final date for the registration forms to be accepted will be June 18, 1975.

Shaping up for Spring: Mrs. Lila Khonnaiser, Lebanese dancer will be the final guest at the "Shaping up for Spring" class in Namao School Gymnasium at 7:15 p.m., Monday, June 16. Lila will demonstrate what "belly dancing" can do for the figure, not only the tummy but the whole you. Belly dancing is the "new" exercise routine that is sweeping the country. Come out and see what it's all about! Cost for the evening - \$1.25. Wear your gym clothes and bring along a long scarf or piece of material.

THE NAMAO SCHOOL gym was a busy place last weekend as many took in the Sturgeon Rec Fest 75. The gym was packed out with Sturgeon crafts and the stage was always occupied with Ukrainian dancers or "Morinville Dollies."

Namao Horse Show crowded with entries

There was a fine turnout at the Namao Horse Show last weekend with over 110 entries according to one reliable estimate.

Following are details of the results and winners in the 38 classes judged at the show. The Namao Community League and the Namao Gymkhana Club wish to thank all those who helped make the show the success it was.

There's also a reminder that July 6 there is more equine sport at Namao with the Namao Open Gymkhana. High Point prize is a saddle with trophies for all first placings and rosette ribbons for other entries who do well. At the horse show last

weekend high point trophies were awarded to senior and junior entries (see results), and rosette ribbons were awarded to placings one to five.

Following are the results:

HALTER CLASSES

Class 1 - Junior Halter -

Showmanship - Open. 1. Roger Tessier; 2. Pat Enovid; 3. Marg Toronchuk; 4. Rod Forest; 5. Bev Epp.

Class 2 - Junior and Senior Mare and Foal - Open. 1. Brian Pearce; 2. Margaret Forest; 3. Maria Huber; 4. Ed Horsnett; 5. Allie Sutton.

Class 3 - Junior and Senior

TAKING A WALK around the Namao Gymkhana Club ring, Arabian Horses in the Senior Halter Class at the Namao Horse Show last Sunday, part of the 75 Sturgeon Rec. Fest.

Namao pioneer passes

Mrs. Phoebe L. Crozier a pioneer of the Namao Community passed away June 8. She was born in 1888 at Namao, the daughter of the late Mr. and Mrs. George Long who came to Namao in 1881 by oxcart from Winnipeg. She resided at Namao her entire lifetime. Mrs. Crozier was married in 1913 to Wm. Lloyd Crozier also a member of a pioneer family of Namao. Mr. Crozier passed away in 1959.

Mrs. Crozier's eldest son

David was wounded during World War 11 and after returning from active service they resided on the home farm at Namao until Mrs. Crozier's illness in 1969.

Mrs. Crozier was a life member of the Namao U.C.W. and the Northern Alberta Old Timer's Association.

She leaves to mourn her loss, one daughter (Eleanor) Mrs. O. Montpelier of Gibbons, three sons David, Edgar and Cliff of R. R. 2 St. Albert, (one son C. Reginald

predeceased her in 1973); 14 grandchildren, five great grandchildren, one brother G. S. Long and one sister Mabel Clark of Edmonton.

Mrs. Crozier will be fondly remembered for her always generous and neighbourly way of life. She was always lending a helping hand to those in need.

Funeral services were held Wednesday, June 11 at 2:30 o'clock from Howard and McBride Funeral Chapel with burial at Namao Cemetery.

EDITH KOWALSKI of Bon Accord looks after the crafts display from that community at the Sturgeon Rec Fest 75 in the Namao School Gym last weekend.

EMPLOYMENT OPPORTUNITY

SECRETARIAL STAFF

The Sturgeon Regional Recreation Council is presently accepting applications for one secretarial staff member. Applicants should be proficient in typing and be interested in continuous employment. Other duties shall include acting as a receptionist to the public and keeping a file of department business. The successful applicant must be available for periodic evening work, and be available to commence employment on July 1, 1975.

Applications stating experience, qualifications and expected salary should be forwarded to the Sturgeon Regional Recreation Council: Attention - Recreation Superintendent, Box 570, Morinville, Alberta. Competition closes June 18, 1975.

MEMORANDUM

TO THE RATEPAYERS AND STUDENTS OF THIBAUT R.C.P. SCHOOL DISTRICT #35

FROM - THIBAUT R.C.P. SCHOOL DISTRICT BOARD OF TRUSTEES

Re:

Pending Teachers' Strike

Thibault teachers are presently involved in extended salaries negotiations with the North Central Alberta School Authorities Association.

On Friday, June 6, 1975 the Thibault Board of Trustees was given notice that a teachers strike would commence Wednesday, June 11, 1975.

The Thibault Board of Trustees wishes to assure all the ratepayers and students that procedures are being developed to insure that students will receive credit for their year's work.

Prairie farmers urged to dry more grain

Prairie grain producers were urged again today to step-up their on-farm drying operations to save the large quantities of high-moisture grain harvested last year from serious heat damage.

G. N. Vogel, chief commissioner of the Canadian Wheat Board, said that even with all of the commercial drying facilities operating at full capacity between now and the end of the crop year, the bulk of the tough and damp grain remaining on farms will still have to be dried locally.

"It's very important that farmers understand this point," Mr. Vogel said. "The operating capacity of the commercial drying facilities at Thunder Bay, the West Coast and on the Prairies is limited to approximately five million bushels a week and we can't ship any more than this without running the risk of jamming up the system and interfering with the movement of dry grain that's needed to fill arriving vessels."

"That is why we have to restrict shipments of high-moisture grain from country

elevators and we urge farmers to dry most of their grain themselves," Mr. Vogel said.

"With the high cost of fuel, the farmer's reluctance to dry his own grain is understandable," Mr. Vogel said. "But even if all of the high-moisture grain could be dried commercially, a farmer might still be better off to dry the grain himself because of the price discounts on grain delivered to country elevators in a high-moisture condition."

Mr. Vogel pointed out that deliveries of high-moisture grain are subject to price discounts on both the initial and final payments.

"The discounts on the final payment will vary from year to year, depending on the total quantities of grain harvested in a high-moisture condition," Mr. Vogel said. "But since the quantities of high-moisture grain this crop year are about double those of a year ago, the actual cost to farmers for deliveries of high-moisture grain this year could well be higher than those in the 1973-74 crop year."

Get it going with the Yellow Pages!

If you need a little help turn to us.

Harvey built his motorbike all by himself. Well, almost. He did have a little help—from the Yellow Pages. Mind you, that little help went a long way. What about your pet project? If you need parts, service, or advice to get it going, hurry to the Help Book.

Fastest way to find what you're looking for.

Report From Bon Accord

By Sadie Allen
Shareholders in the Bon Accord Mutual Telephone Company are reminded of the final meeting to be held in the Bon Accord Community Centre on Saturday, June 28 at 10 a.m.

The bingo jackpot is still to be won and now stands at \$220, in 62 numbers. Winner

of the bonanza bingo was Mrs. Harry Trotter of Coronado. The jackpot consolation was shared by Mrs. Thale Critchley, Mrs. Love and Mrs. Ketter.

The Bon Accord Recreation Board wish to thank Gerry Germaine, Pat Reynolds and Marie Weinzierl for their help with the NHL

hockey pool.

The Ladies' Community Club have now received their new supply of cookbooks. They are available from Pat Reynolds at \$2.00 each.

The Bon Accord United Church are having a clean-up day on Tuesday, June 17 at 1:30 p.m. Any help would be appreciated.

Peewee softball girls (12 and under) will hold a barbecue at the home of Mrs. Bob Antoniuk on June 18 at 4:30. The girls will be challenging their mom's in a game on Thursday, June 12 at 7 p.m.

Get well wishes are extended to Mr. Chas. Lewis, undergoing surgery at the Sturgeon General.

There will be no service at Holy Trinity Anglican Church on June 15. All parishoners are invited to an open air service and picnic to be held at Alberta Hospital Picnic Grounds at 11 a.m.

SPORTS

Senior baseball boys came up with a close 2 - 1 win over Vimy on June 4. Three home games. Vimy at Bon Accord on June 12, Rochester here on Sunday, June 15 and Westlock at Bon Accord on June 17, are on the schedule for senior ball. Game time is 7 p.m., for weekdays and 2 p.m. on Sunday. In the tournament at Fort Saskatchewan over the weekend Bon Accord won over Andrew in their first game and lost out to the Fort in the

second.

Mite boys, coaches by Irwin Strawson have come through their league game with five wins, no losses so far. Good show, fellows!

Bon Accord ladies scored a win over the Fort on June 5 and lost to Fort town on June 3. Horse Hills ladies team will be here on June 12, and Thorild here on June 17..

There was a good turnout for the kindergarten meeting held on June 4. So far 31 children have been registered, five more are needed to guarantee two classes. Registration forms and information are available from June Serediak 921-3589 and Gail Burnham, 921-3964.

Get well wishes are extended to Florence Werenka in the Royal Alex.

GOAT SHOW

The Bon Accord Ag Society is looking for ice cream pails, strong cardboard cartons approximately 24 by 18 by 15 to, be used in the upcoming dairy goat show for feed containers. An outdoor billy no longer in use would be greatly appreciated by the Society as a temporary facility until plumbing can be completed in the arena. Call Pat Reichle 921-3535 if you have one available for loan or donation. Workers for the booth on both the 20th and 21st are urgently required. Call Pat if you are available for even a short stint.

Dedication to Canadian writer

This year Legal is dedicating its two-day festivities "La Fete au Village" to an honorable citizen Mr. Georges Bugnet - resident of the

Chateau Sturgeon. He is a Canadian writer, born in France in 1879. He is known for his short stories, novels and poems.

A record of his works can be found at the archives of the university library. Most of these pertain to the early life of the pioneers and depict his great love of nature.

This is also reflected in his accomplishments as a horticulturist - the first to breed a perfectly white rose "Therese."

We are very proud to have in our midst a generous contributor to our cultural heritage. We invite you to come and enjoy us in honouring Mr. Bugnet and to partake in the many activities that will be offered for your entertainment at Legal's Fete au Village.

OUTSTANDING RENT-A-CAR FRANCHISE OPPORTUNITY

Get in on the ground floor with Canada's fastest-growing Rent-A-Car System!

Holiday Rent-A-Car has more than doubled the number of stations and its rental fleet in the past 12 months. It now has a chain of over 100 branches from St. John's, Newfoundland to Victoria, British Columbia. Holiday is now the second largest Canadian rent-a-car company.

But the Company's greatest period of expansion is still ahead, promising unparalleled opportunities for ambitious business people of proven ability.

Here is a chance to enjoy the independence of operating your own exclusive business and to be associated with a young, dynamic All Canadian organization, with a proven record of success.

Investment and operating capital of modest proportions needed. Ideal as an added source of income to a related business such as car dealership, body shop, garage, etc.

Up-to-date system of controls, complete training, operating and promotional facilities supplied. Go with a winner...

Fill in mail coupon below, or phone (519) 672-9580, to learn more about this exciting business and what it could mean to you and your future.
